DESCRIPTION: VERY RARE and hard to find Ben Pearson Ambusher short hunting bow. This attractive bow was manufactured in 1971 and 1972 only. Zebrawood. Riser is in mint condition. No delamination; no cracks; limbs appear straight. Tips and overlays are in great condition. NO drilled holes. No chips, dings or cracks. No stress lines or crazing (note: the gray fiberglass limbs are not a uniform gray and may look like there are faint stress lines in the glass, but it appears to be the pattern of the gray glass. A few minor scratches, nicks, bumps and scuffs here and there. This is a really nice bow in excellent condition for its age. There are new leather calf-hair string groove silencers on the limbs. COMES WITH A NEW STRING.
