

CORVETTES OF THE NORTH

When you hear the word "Corvette" do you sit up and take notice? Do you appreciate the look and feel of this very special sports car? Do you enjoy the company of people who share this appreciation? If your answers to these questions are "Yes" then we're the club for you!

Corvettes of the North is dedicated to sharing the fun and enjoyment of owning America's own star spangled sports car. Members get together twice monthly during the road months (May through October) for rallies, road tours, attending local celebrations, etc.; and once a month during the off-road months (November through April), for outings without their Vettes...Las Vegas night, Christmas Party, Super Bowl Sunday, etc. Our calendar is set in March at a special meeting at which all members are welcome to suggest events and activities to be voted on by the membership.

We have one major work event per year, the Wisconsin Rapids Cruise and Car Show in August, in which all members are expected to participate. The funds from this show, along with our annual dues, finance the club and eliminate the need to charge a fee for each event.

Corvettes of the North publishes a newsletter once monthly to keep its members informed of upcoming events. Membership meetings are sometimes held in conjunction with a scheduled event. Membership dues are \$25.00 per year. The club year begins November 1, and dues are prorated at \$2.00 per month for members joining CON for the first time. There is a \$20.00 initiation fee for new members.

Membership requirements: You must be 18 years of age and you must own a Corvette.
