

WE'RE READY TO ROLL WHEN YOU ARE

As we begin to re-open, nothing is more important to us than the health and safety of our guests and staff. In addition to following State and Federal guidelines on COVID-19, we are taking precautions to ensure your visit with us will be safe. These measures include the following:

HEALTH & SAFETY STANDARDS

- We are working with professional industrial hygienists to ensure that our centers are clean, sanitized and maintained on a regular basis.
- Balls and shoes are being thoroughly sanitized.
- Shoes will continue to be sanitized after each use with high-impact disinfectant spray.
- All Arcade Games and Kiosks will be thoroughly cleaned, paying special attention to joysticks, buttons, prize slots and card readers.
- Hand sanitizer will be available for all guests to use and will be checked and replenished regularly.
- We will regularly clean and sanitize guest touchpoints and surfaces.

NEW RULES, SAME GREAT GAMES

- There will be a limit of 4-6 people per lane.
- An empty lane will separate bowlers from other bowling groups.
- There will be no ball sharing between guests.
- Our amazing food and beverage menu will be available with self-service ordering to limit staff contact.
- We will be removing furniture to create more space in the building as a means to adhere to social distancing practices.
- Arcade games will be moved and spaced out, where possible, to maintain social distancing practices. Some games may be inoperable during this time.
- Center capacity will be monitored closely to ensure an appropriate number of guests are in the center at any one time.
