

COVID-19 IN STUDIO PROCEDURES

DO NOT ATTEND CLASS IF...

- You are feeling unwell
- You have been on any flights in the last 14 days
- You have a fever
- You have a headache
- You have a sore throat
- You have been around someone who has been recently diagnosed with COVID-19

THE FOLLOWING AREAS WILL BE CLOSED...

- Lobby & Office
- Changeroom & Lockers
- Water fountain & Water Club
- Students will have one designated washroom in main building, and one washroom in studio 5. Teachers will have a separate washroom in main building – Please use the washroom at home before coming to class to avoid additional surface contact
- Vending machines
- Microwaves

WHAT TO BRING TO CLASS

- Attached waiver **MUST BE SIGNED & SUBMITTED** prior to the start of class in order to participate. **NO EXCEPTIONS.** Waiver can either be emailed to office or brought to the studio on your first day of class
- Only bring necessary footwear
- If bringing a water bottle please bring one that has a covered mouth piece, no water will be available from the studio for refills

OUTSIDE LINE UP PROCEDURES

- Do **NOT** arrive earlier than 5-10 minutes before class time
- Dancers please stay in vehicle until directed by EDA staff
- Parents **MUST** stay in vehicle at all times
- Dancers will be entering the building through the door to the right of the main double doors
- Cones will be placed 6 feet apart outside, you **MUST** stand at a designated cone
- Hand sanitizer will be used before entering, and after exiting the building
- No parents will be permitted in the building
- Class sizes are limited and only dancers who have registered with the office will be permitted into the building

IN STUDIO PROCEDURES

- Markers will be placed 6 feet apart inside, you **MUST** stand at a designated marker
- Once inside, dancers will be instructed by staff to enter their classroom one at a time, where they will be directed to a square to stand in
- Water bottles **MUST** be placed in designated water bottle spots
- All studios have been mapped out with 7X7 ft – 10X10 ft boxes to ensure each dancer has their own space
- All studios have 1.5-3ft extra space designated as thoroughfares and extra precautionary areas
- Minimum 6 feet between dancers at all times

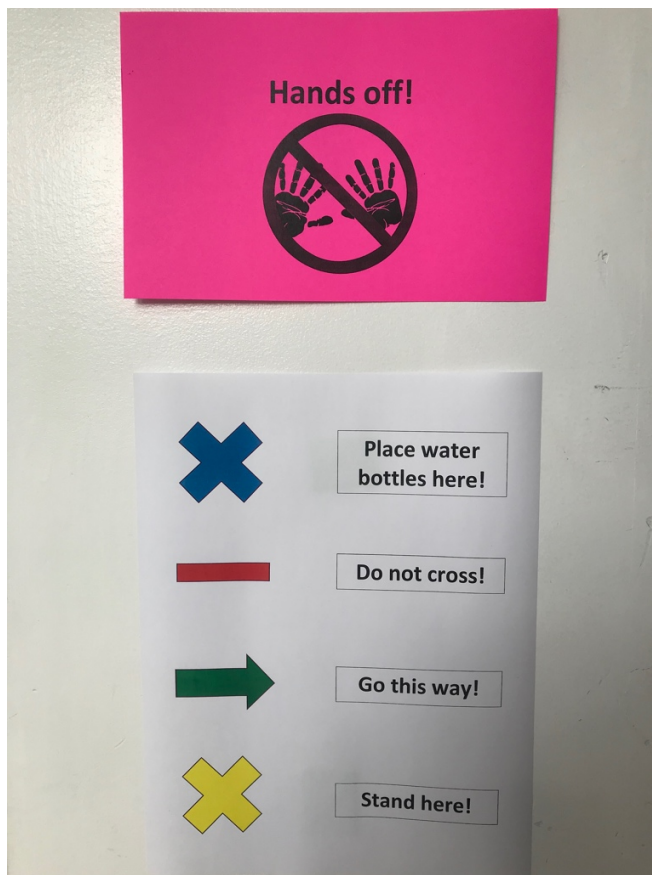

EXITING THE STUDIO PROCEDURES

- Markers will be placed 6 feet apart inside, you **MUST** stand at a designated marker
- Dancers will be instructed to exit the building using the side door left of main entrance and parallel to the car wash
- Hands will be sanitized before dancers exit the building
- Parents **MUST** stay in vehicle at all times

STUDIO SANITIZATION

- Classes will rotate studios to allow for disinfecting and cleaning
- Bathrooms will be cleaned in between each use
- All door handles, hand rails, and high contact surfaces will be cleaned between each class
