MODEL: Ventura

HAND: Right

DRAW WEIGHT: 40#

AMO LENGTH: 66"

PRICE: \$199.00

SHIPPING & HANDLING: \$39.00

TOTAL COST: \$238.00

DESCRIPTION: This higher poundage high-quality Damon Howatt Ventura target bow is a superior shooter. Bow has no delamination; no cracks; limbs are straight. Double-sided overlay tips. Overlays and tips are in great condition. No chips, dings or cracks. No stress lines or crazing. The side of the riser has a natural black swirl pattern in the grain. There are two (2) filled screw holes on that side of the riser (see p. 5). A few other minor scratches and nicks here and there. There is a bushing for a rest that was installed (I think this was aftermarket, but not sure). The only significant flaw in this bow is that a previous owner routed out a section near the arrow shelf, I assume to install some type of arrow rest. This was filled with wood epoxy and covered up (see pics on last pages). Overall, this is a solid high-performance target bow with a lot of life left in it.
