

Hello, ABATE members, Hope everyone is doing well! We are enjoying these cooler temperatures, I know I am. No, I am not hoping for winter but it sure is better than the mid- 90's

Ok, on to our meeting, we had former senate majority leader Randy Richardville who attended. There were several candidate's invited, but Randy was the only one able to attend. Local State Farm agent Jimbo W. came and talked about how to properly insure yourself with the shitty insurance we are stuck with. Harry B. spoke about an injured rider, Dondi may be getting involved in this case. Ok, let me see, What else...Kelly C's. name was pulled for the membership draw, but he was not there, so that being said...well, just saying. and Marty won the dollar draw, what a great picture he drew of a dollar and Bobby won the 50/50.

Now onto what we talked about the Halloween party and the Irish Hill's color run Saturday Oct 24th. But this will be old news and over by the time that you get this newsletter.

Ok now onto awareness classes, if anyone would be interested in the idea of sitting in on some of these classes that would be great. I have been sitting in these classes for over a year now and I was doing ok till this sickness hit our nation. Then we went around five months without a class and now we are back again, and I am about ready to start teaching with Wayne till I am ready to fly on my own, which is getting close. But that being said we still need more members to be involved in Awareness classes. We can't depend on Leroy, and Wayne to do this all the time they have things to do and places to go just like the rest of us. So that being said go to some of these classes and sit in and get involved, remember this is all about LOOK TWICE AND SAVE A LIFE, it could be yours or a friend or family member be a supporter.

Ok now on to stuff like birthdays: Mexican Tony D. November 26 he did not tell me his age so.

Ok now on to January the seminar will be here before you know it so reserve your room now. The same rules as last year which really was not all that bad. Ok I am almost done at the end of our meeting Crash handed me the quote of the month and asked me to put it in here so here it goes. "If you will not fight for the right when you can easily win without bloodshed, if you will not fight when your victory will be sure and not as costly, you may come to a moment when you will have to fight with all odds against you and only a precarious chance for survival. There may be a worse case. You may have to fight when there is no chance of victory, because it is better to perish than to live as slaves". Sir Winston Churchill

Ok that's all I have for this month but just like most of my reports REMEMBER that there are ABATE brothers and sisters out there that need our prayers. I would like to mention names but if I forget some one that needs our prayers that would not sit good with me. So that being said it is best to say please pray for all

|Thank you! Treeman:
Have a safe holiday!
