

Womans Club of Lacey September meeting followup

First, I'd like to thank the 46 members who attended the meeting at the Captains Inn, feedback from the meeting was that it was lovely, good to see each other again and the lunch was wonderful. Announced at the meeting was the importance of Calendar Club as our major fundraiser. We cannot stress enough how important it is for our members to sell tickets to others. Please do not feel you need to buy them yourself, ask your hairdresser, the waitress in a restaurant, friends, family members, strangers on the street, your neighbors to purchase 30 chances to win either \$500 or \$100 in our monthly drawings. Last year a number of winners were either family members or club members. Remember some of the money we collect in this endeavor will go towards Operation Chillout for our homeless veterans who have proudly served our country and for the Lacey Police Department for body cameras. Those of you who were not at the meeting please contact either Beverly or Shirley to get tickets. We will work together to get the tickets to you. This may be our only fundraiser this year so we are asking EACH member to PLEASE sell at least 4 tickets. Should we reach this goal we will have done a terrific job at our fundraiser.

Again, a reminder to pick up a sweatshirt for the October meeting or drop off to Barbara Bowen for Operation Chillout. It is the first endeavor for the club for the state project.

Stockings will be filled and must be delivered the day after our next meeting in October so please remember to pick up some things to stuff into the stockings. Our goal is to fill 50 stockings!

There is a district Zoom meeting scheduled for September 28 at noon.
