

PRECISION CONSULTANTS

CAPABILITY STATEMENT

Solving the Problems of Estimating & Takeoffs
precisionconsultantssoutheast.com

Our group has over 50 years of total experience in the profession.

The advantage Precision Consultants bring is our **integrated multi-industry experienced approach to business solutions**. We believe in maintaining a positive mindset, creating partnerships with a purpose, and always striving for significant outcomes. From multi-million dollar contracts ranging from iconic highrises in Miami to sporting arenas like the Amway Center, our group has the experience and insight you need. When working with us, you should expect an **individualized first class experience** that is a rarity in this industry as well as in this era.
