

Below is a listing of **new** ODNR position openings posted on Thursday, March 6, 2019.

The State of Ohio moved to a new job posting portal for internal State of Ohio Employees (current employee with access to MyOhio). The portal is accessed from your MyOhio drop down menu under Career Resources – Ohio Hiring Management System.

Job seekers must create a new account and profile to apply for posted positions. Job seekers will continue to have access to view their existing profile at governmentjobs.com. This includes application status information and any correspondences sent concerning applications submitted prior to April 5, 2018.
