***RBC Royal Bank donates \$3,000 to Sponsor Family Day at Rhythm ‘n Ribs***

**Yorkton** – Trevor McLachlan, Community Market Manager for the Parkland Region of RBC Royal Bank presented Ross Fisher, the Executive Director of The Health Foundation, with a donation of \$3,000 from RBC.

“We are very happy to sponsor the Family Day at Rhythm ‘n Ribs. This is a wonderful weekend of affordable entertainment for the whole family as Family Day provides some activities specifically for young people,” said Mr. McLachlan.

We are proud to support the work of The Health Foundation because at RBC, we’re passionate about helping our communities thrive and prosper. We know that this is not possible without organizations like The Health Foundation who are dedicated to helping our family, friends and neighbours live healthy, vibrant lives,” continued Mr. McLachlan.

“The proceeds of Rhythm ‘n Ribs will be used to purchase medical equipment that will be of benefit to everyone who lives in the Yorkton area; and anytime you can combine good community building family events with a fundraising activity that will benefit the whole region, well that’s a good thing and something we are pleased to support,” he continued.

“We appreciate this donation and the ongoing support we receive from RBC, and from the staff of RBC, for the work we do to improve our local healthcare,” said Ross Fisher. “As a community organization, it is wonderful to know that businesses like RBC will be there to assist us when we are raising funds to improve the healthcare available to people in this region,” said Ross Fisher.
