The Lab

Mask to be worn by spectators inside of the facility.

Mesa Baptist Church

No limitations on spectators Mask to be worn by spectators inside of facility.

Inspire

Everyone entering the building must wear a mask, spectators and players. Players may remove their mask while in-play. Social Distancing Must stay with the capacity limits. Only the teams and spectators playing that hour are allowed to be in the building. Once a set of games ends, everyone must clear out the building. Once the benches and bleachers are sanitized, the next group of players and spectators are then allowed to come in. It will take approximately 5 minutes to clear out, sanitize, and allow the next group to come in. Also, since many will be waiting in the parking lot for their next game, we do recommend that everyone wear a mask while in the parking lot, especially if not able to social distance.
