

## OTHER SERVICES

### SYNC OUTLOOK TO YOUR SMART PHONE

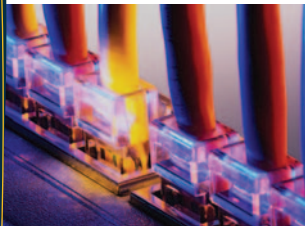

SyncMe™ can be used to compliment your mobile sync workflow by allowing you to sync your Outlook data with Google which you can then access using your mobile device, Google sync capabilities, and/or third-party mobile apps that can access your Google account.

### DVR SYSTEMS

Terref.com is authorized to sell and repair Tempest DVR systems. These DVR's are versatile, reliable, and highly affordable. Give us a call to see what DVR would work best for you.

### DIGITAL PHONE SYSTEMS

The most important part of any telephone system is the installation, training, and support. No matter which system you buy, if it's not installed correctly or you aren't trained properly, you'll never be happy. At Terref.com, we take our time to install your new telephone system the right way.

### VIDEO SURVEILLANCE SYSTEMS

Terref.com takes great pride in providing professional-grade network cameras and surveillance equipment. This is not the same type of surveillance camera equipment that you might have seen at your local discount store. If you are looking for a security camera system, time lapse security recorder, home security cameras, spy security cameras, nanny cam, monitors, or cctv accessories . . . look no further.

## WHO WE ARE

There are a lot of computer service companies, but none of them are quite like us! What separates us from the rest? First and foremost, our customer service is among the best in the business. We want you to be our customer for life, so we will always take care of you in a prompt, friendly, and helpful manner. We also offer you affordable flat rate and package pricing so there are never any surprises. We provide free diagnostics, on-site service, and no travel fees. If we can't solve your problem, you pay us nothing. As you can see, we have your best interests at heart. Our business practices prove it.

Terref.com has been serving Long Island since 1992. A lot has changed since then, but the one thing that has remained the same is our commitment to quality technical services at a fair price.

Take a closer look at Terref.com and see how we can make technology work for you.
