

Deposit: We require a **non-refundable** deposit of three hundred dollars (\$300.00). The balance will be due before puppy can leave. This deposit is your guarantee that we will not place the puppy of your choice with someone else. This deposit is also our guarantee that you will be purchasing the puppy specified; therefore, the deposit is non-refundable. You will be notified when your puppy will be ready to go to his/her new home. This is usually 8 weeks of age. If your puppy is to remain at our home longer than 7 days after the pup turns 8 weeks old there will be a \$25.00 per week boarding charge added to the cost of your puppy.

Arrangements to pick up or receive your puppy MUST be made before the puppy turns 8 weeks old. If, after we attempt to contact you, we do not hear from you, and/or arrangements are not made to receive your puppy within 7 days of turning 8 weeks old, we will assume you no longer want the puppy, and this contract becomes null & void. Any payments or deposits made will NOT be refunded.

Payment Information: Venmo, Zelle or Cash are accepted. Puppies will remain at our kennel until completely paid for absolutely no exceptions. We prefer the puppy to be paid in full by 6 weeks of age. Delivery is available through a Flight Nanny service.

Conditions of Sale: All puppies are sold with registration papers, health guarantee and health record. Puppies will be wormed starting at 2 weeks of age and worming will be continued every two weeks until puppy reaches 8 weeks of age. The said puppy will receive its first vaccination between 7-8 weeks of age. Shots will be as per our Vet's requirements as long as said puppy is in my care. **Buyer agrees to have said puppy examined by a licensed vet within 72 hours of time of pickup or delivery or the guarantee will NOT apply to Parvo or any other infectious illness or disease.** If, upon this examination, said puppy is other than healthy you should contact the breeder as soon as possible and the puppy could possibly be returned to the breeder immediately, and the purchase price will be refunded or the puppy can be replaced, whichever the buyer prefers. (Breeder has the right to ask for a 2nd opinion by a licensed Vet before refund/replacement). Minor problems such as diarrhea, coccidiosis, wormy stool, intestinal parasites etc. are common problems among puppies and will not be covered by this warranty, although every effort is made to sell puppies free of the problems. The said puppy is guaranteed for one year of age against genetic/congenital defects that could affect the puppy's quality of life. Deadline for a refund is one week from puppy's first birthday and only after examination from buyer's Vet, and a written statement is forwarded to Breeder's Vet, from Buyer's Vet for the replacement of another puppy of equal value. **Breeder is not responsible for shipping charges, or vet bills once the puppy leaves our care. Breeder does not assume any liability for any injury of said puppy after puppy leaves our care.**

Buyer is responsible to maintain the puppy's health condition, vaccinations, and de-worming, and other procedures to insure good health, including protecting your puppy from exposure to Parvo. The Breeder has provided everything possible to produce a healthy sound puppy by raising the puppy the best possible way regarding diet, exercise, socialization, and health care. We go out of our way to protect our dogs/puppies and property from the Parvo Virus.

The Breeder cannot guarantee a puppy's ear or leg type, nose pigment, coat type, coat color, height or weight at maturity.

Commitment: If for any reason, at any time, you are no longer able to keep this puppy and you do not have a loving home to give him/her to, by signing this contract you agree to return him/her to me along with the registration papers and a current health record and vaccination record so that I can find a loving home to give him/her to.

Purchaser's Statement: The Buyer guarantees that they are not acting as an agent in the purchase of this puppy, and that it will remain in his/her custody. The Buyer swears that they are not associated with a pet store, or animal broker, or research facility. This contract becomes effective upon the signature of both parties. An executed copy shall be provided to all parties.

I, the undersigned understand and accept the terms and conditions presented and by signing makes this a binding contract.
