	Men's Marathon	**(Heat A)**	

OTHER THINGS YOU NEED TO KNOW and REMINDERS

1. ***All participants*** MUST be a member of USAWS and NWSRA, and sign the race day release prior to the close of registration. Skiers under age 18 need to have a parent or legal guardian sign on their behalf.

2. ***All participants*** MUST pass breathalyzer testing prior to the close of registration each morning. NWSRA maintains a 0 tolerance policy for participants.

   Members identified to take a breathalyzer test on race day will have until 15 minutes following the end of the National Anthem (end of driver / observer meeting) of said race day to pass with a 0.00 result. Non-compliance with required breathalyzer testing or a failed test result will deem the member ineligible to participate in any races that day. No Breathalyzer testing will be conducted after the above noted 15 minute time period. Any ineligible member found to be heading toward or entering the race course, will be disqualified for that race day and the next subsequent race day, be it that weekend or the next race weekend.

   NOTE: Skiers in Heats A (men's) and B (women's) only, will have up until 30 minutes prior to the 5 minute flag start sequence of their registered race to pass Breathalyzer testing and sign in.

3. ***All drivers*** MUST complete the USAWS MVR (motor vehicle review / DMV check) once every two years. See www.nwsra.net for details.

4. ***Awards*** – Series awards will be presented Saturday September 11th at Sundance in Parker!. More details to come.
