Do you know what is available at your library?

Since December, we have added 103 titles to our collection; something new for every reader. We also have DVD's and audiobooks for checkout. We have free wifi and 6 desktop computers for public use that are capable of printing. If you need assistance with technology, we are here to help!

* Too busy to come to the library to find a book – too overwhelming when you get here? You can check out the book you like from home on SEKnfind and just pick it up. Don't know how? Come in and we will show you.

* Tuesday, March 19th - I will begin having storytime for children ages 2-5 at 3:30pm. Bring your littles for some good books, crafting, and play.

* We will have a summer reading program. I will be working with the school to get information out.

* There are also plans for a cricut class-we have one in the library and I want people to be able to use it. Date and time TBD.

Congratulations to our February drawing winners
