Month!*

## Fingerprint and Forensics Night

**Tuesday, January 18th at 6:00pm**

**This program is for 4th Grade & Up.**

Do you know what makes every fingerprint be completely one of a kind? Come join real scientists as we study fingerprints and look for loops, whorls and arches. We'll learn how fingerprints are made, examine our own unique fingerprints, pull invisible fingerprints off of surfaces, and solve a mystery based on fingerprint analysis. You'll have a blast and will take home your own fingerprinting set!

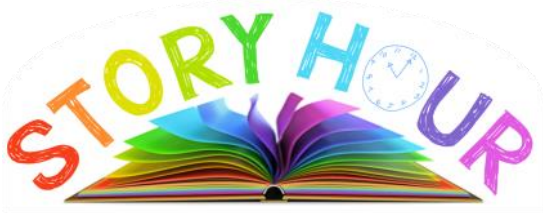

Fingerprint and Forensics Night will be taught by scientists from the Science & Engineering Education Development, Inc.

**Registration is required. Call the Children's Room,  
(508)-947-9028 ext. 3 to register.**

This program is supported by a grant from the "HCA Charitable Contributions Fund", administered by the Lakeville Select Board.

Cribbage Club - 6:00

## In the Great Ponds Gallery

**Exhibit runs January 10th – February 24th**

**"Lakes and Couches" by Joseph Fontinha**

During the months of January and February the Great Ponds Gallery will feature "Lakes and Couches", an exhibit of oils by Lakeville resident Joseph Fontinha, a high school teacher with a passion for painting. His work offers a slow and forensic account of his painting experience. He sees a painting as a collection of many moments; he preserves only those that he won't negotiate. He describes this exhibit as "Some things look like lakes, and some look like couches."
