International Imperial Court
PROCLAMATION

**ON THIS DAY OF JANUARY 1, 2025
WE PROCLAIM THAT 2025 WILL BE KNOWN AS
“A YEAR OF ACTIVISM”**

The LGBTQ+ community's fight for full equality is the last civil rights movement of the 21st century. A war waged against our community has been declared by the ultra-right, with over 500 anti-LGBTQ+ bills being introduced in state capitols across America. Let 2025 ignite a renewed commitment to activism and action. Let 2025 become the year that a hate crime against anyone becomes a hate crime against all of us.

The International Imperial Court Council and the National LGBTQ Task Force will join forces to inform and educate our LGBTQ+ communities on plans of action to fight the ultra-right.

We call on everyone to rise, speak out, and stand up for equality, justice, and positive change for all communities.

It's time we stop pointing fingers at each other and start extending hands to each other.

In 2025, the International Imperial Court System says to all:

We are never going back in the closet!

Nicole

Queen Mother I
of the Americas

King Father I
of the Americas

Good evening, and welcome to *Coronation 33*!

Iowa's new state logo is "Freedom to Flourish," and our state motto reminds us: "Our liberties we prize and our rights we will maintain." As I reflect on both, I think about where we are today. I have always been proud to be an Iowan—and more specifically, a gay Iowan. Iowa has a long history of trailblazing in civil rights: we abolished slavery nearly 20 years before the nation, we were among the first to accept a woman into the legal profession, and we were early leaders in securing marriage equality and equal rights for queer communities.

Sadly, that legacy is being chipped away. This year, our trans brothers and sisters suffered a devastating blow when their rights were stripped away. While, as a 501(c)(3) nonprofit organization, we cannot engage in politics, we as individuals can and must fight back against the hatred at our doorsteps. Some of our friends are not with us this weekend out of fear, and that reality breaks my heart. Please know that we are here to protect you, to stand with you, and to create a safe space where you can celebrate openly.

This struggle is not unique to Iowa. Across the nation, we see the same hateful agendas gaining ground. Queen Mother I of the Americas, Nicole the Great, has called for a year of activism—and I believe this is not just a year-long effort, but a lifelong fight we must continue in our communities. Our rights were not handed to us; they were fought for. And now, we must continue fighting to protect what we have and to reclaim what we've lost.

The power lies in our hands—our voices must be heard. Whether through protest to prevent further losses, or at the polls to remove those who seek to harm us, we cannot be silent. While tonight we dress up in jewels and finery, let us remember that drag, at its very core, is a form of liberation, protest, and activism.

As we in Iowa welcome a new Reign, we urge everyone to set aside differences and unite for the greater good of our communities. As Mama Jose reminded us: "United we stand, divided they catch us one by one." Those who seek to harm us are counting on division—let us prove them wrong by standing together.

We are so grateful you are here with us this weekend to celebrate the noble deeds and fundraising achievements of Reign 32 of the Imperial Court of Iowa. Here's to the future we will build—together.

Hello and good day and thank you for attending Iowa's coronation this weekend! It Means the world to me that you took your time to spend it with us. Hope you enjoyed all the hospitality that Iowa has to offer.

As I step down I want to thank all the people I have met over the year that showed me a good time, showed me love and was compassionate with me. I wanna thank everyone who was in my corner. I don't need to mention names as I don't wanna start a fight hehehe, but you know who you are. BUT I want to leave this with you before the night and Reign comes to a close. Please remember this is a make believe title which we volunteer our time and talents to. You may not agree how this reign did or agree with I did in the Reign but please know we raised money and did some stuff where our charities will be getting some money. Remember each Reign is different and please remember to lift each other up and not tear each other down with what's going on in the country now we shouldn't be tearing each other down. I love everyone! Please know I love everyone and can't wait for little vacation after this!!

What can I say about the past year? It has been one of personal growth and a learning of the meaning of family for me. There were so many things that I wanted to accomplish for the Imperial Court and also all of our LGBTQ+ communities in Iowa. Although I didn't quite hit my goal, I will continue my efforts after I step down.

I had the pleasure of meeting a lot of amazing people at Coronation 32. And that was only the beginning. The Victory Show was my first taste of community coming together. Many people who barely knew me still put effort into raising money for the Reign 32 Public Relation fund. October brought investiture and the opportunity to create an amazing family line as well as two wonderful Princess Royals, **Eva Rose Knight** and **Topaz Stahr**. Everyone worked so hard to raise money for our community, even as we faced political adversity.

November started strong as I was allowed to help my brothers and sisters with the **Imperial Court of Nebraska** raise money for their charities. Then my father passed away and I was left to take care of my mother. Many of my fundraising ideas were left on the back burner for the rest of the month. During that time I found true friends among the ICS, those who checked on me to make sure I was doing ok.

December had fundraisers and holidays. Spending time with my family line for our Christmas party was amazing.

January started to ramp up. I got to start and build on my friendships with Nebraska monarchs, **Just James** and **Ashley Simone**, during their E and E ball. That same month I attended Minnesota Coronation where I got to see my Reign Father, **Mark Ogburn (DeSheveled BearDen)** and **Darin Hatch** step down and **Shawn Creveling** and **Billie La-Tease Austin** take the reins. All of whom have become amazing friends. We were also able to bring the ICIA back to the Cedar Valley, specifically Waterloo, after our home bar had been closed for almost 2 years.

March I had the pleasure of bringing the Imperial Court to Boone Iowa, while raising money for their Pride event. Such an amazing community.

April was another first for me. I attended the *Imperial Court of the Rocky Mountain Empire's Coronation*. It was an amazing time spent with amazing people. *Zoey Did-dim, Julia McCorkell, Michelle Moriarty, RC Monroe, Anna Rexik* and many many others. April also took me to *Oklahoma's Coronation* in Tulsa. Although I hadn't known them long, I soon learned that *Dayna (Kitty) VanHauen* and *Josh (Triton) Radford* are both amazing people. This was also a time that my family line stepped up and handled business raising money for various charities.

With May came a trip to *Corpus Christi Texas* to celebrate my friends from the south, *Leona Lane* and *Andrew Wilcox*. This was my first time going to this part of the world and let me tell you it was hot! But the view was awesome and I had a great time!

June kicked off pride month and I had a great time at the *Capital City Pride* Parade with my counterpart *Emperor Evan Waters*. We also attended the *Iowa City Pride* event and spread the good word about the Imperial Court.

July brought a lot, and I mean A LOT, of fundraising efforts from the entire Court. Made me so proud. It also brought the *Nebraska* Coronation. I was and still am so proud of my friends *Just James* and *Ashley Simone* for all they did during their reign. And I know *LXis Xtreme* and *CVS* will have an outstanding year as the new monarchs of *Nebraska*.

In August I was able to celebrate *Shawn Creveling* and *Billie LaTease Austin* at the *Emperor and Empress Ball* in *Minnesota*, and got to see a wonderful family line invested in *Nebraska*.

Which brings us to today. Stepping down will be bitter-sweet. But I know that the ICIA will be in good hands with whoever takes the reins today. I have met and appreciate so many people this last year. I could try to name everyone but lets face it, I'm getting older. *Borque, Anastacia, Italy, Shanda, Leona, Andrew* from *Texas*, *Zoey, Julia, Michelle*, (all the *Denver Cycle Sluts*), *Jason, Michael, Alexis, RC, Anna, Caeri* all from *Colorado*. Every single person I've met from *Nebraska* (sorry guys, there's just too many of you to name). *Minnesota* (I love all of you). And every person in between. You all have helped shape the person I am right now.

Reign Daddy and Reign Mother *DeSheveled BearDen* and *Ido Ho*-Thank you for agreeing to be by my side during this roller coaster year.

Out of State Half Emperor and Empress *Just Inga* and *Scooter*-I have loved you two since the day I met you. And trust when I say I will get you back for putting me in girl drag.

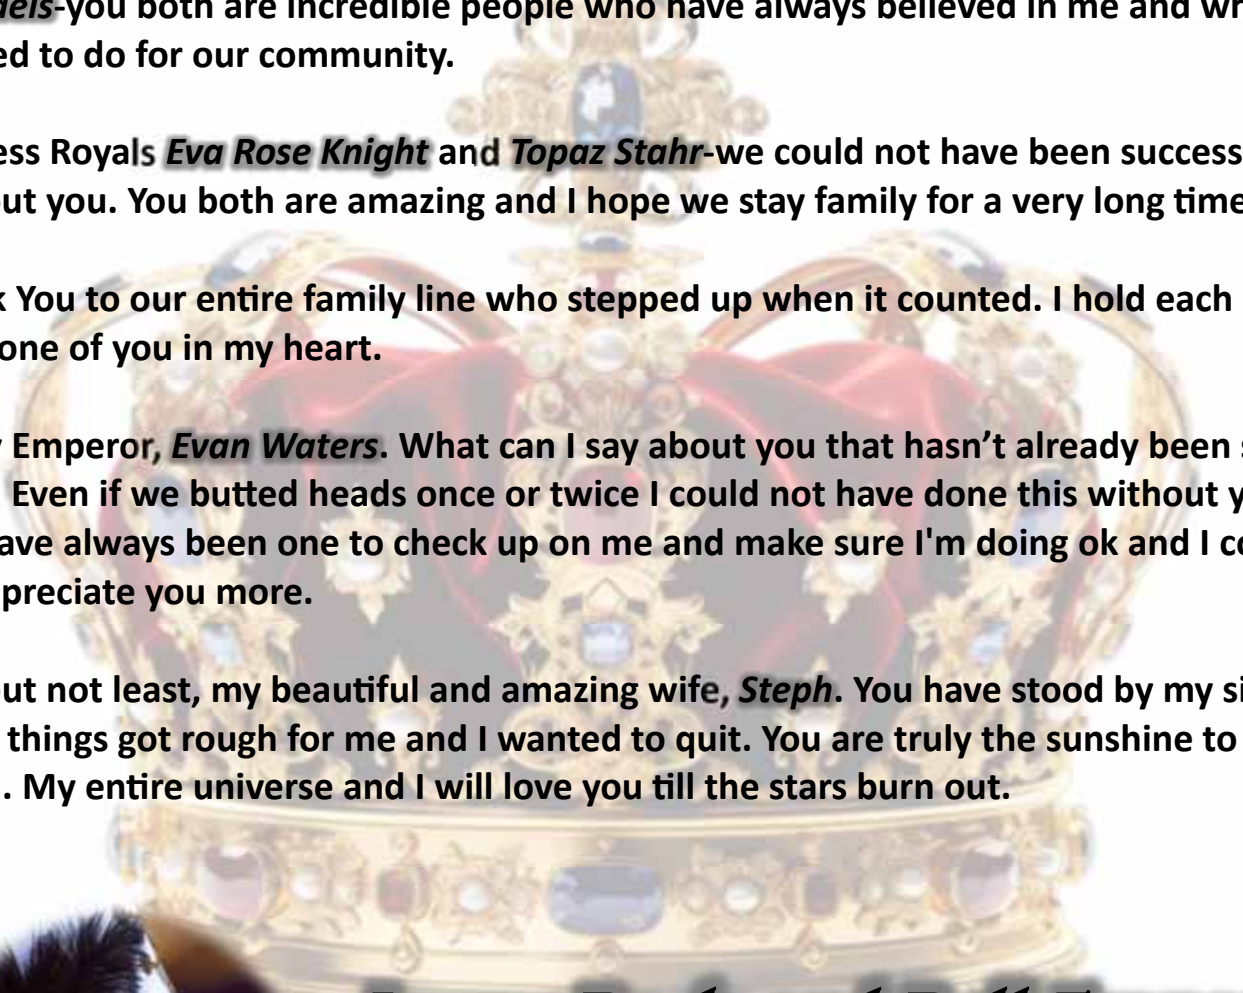

In State Half Emperor and Empress *Michael (Celine Dion) Ferry* and *Andrea Knight Michaels*-you both are incredible people who have always believed in me and what I wanted to do for our community.

Princess Royals *Eva Rose Knight* and *Topaz Stahr*-we could not have been successful without you. You both are amazing and I hope we stay family for a very long time.

Thank You to our entire family line who stepped up when it counted. I hold each and everyone of you in my heart.

To my Emperor, *Evan Waters*. What can I say about you that hasn't already been said. Haha. Even if we butted heads once or twice I could not have done this without you. You have always been one to check up on me and make sure I'm doing ok and I couldn't appreciate you more.

Last but not least, my beautiful and amazing wife, *Steph*. You have stood by my side when things got rough for me and I wanted to quit. You are truly the sunshine to my storm. My entire universe and I will love you till the stars burn out.

To my beloved Imperial Court family and cherished community,

The opportunity to be Princess Royal this past year has left my heart overflowing.

Topaz, it was an honor to work alongside you as Princess Royals. Thank you for everything you did to make this year and our Princesses' Royal Ball an experience I will not forget.

Evan, thank you for asking me to be your Princess Royal. This experience has helped me grow so much as a person. One of my favorite memories was when the group of us went to see Niagara Falls – still not sure why I didn't push you in...

Reggie, we go back to our early days at Open Stage in Waterloo. It is amazing to think back on how we have grown. Thank you for all you have done this year!

To the **Board of Directors**, the **College of Monarchs**, the **Academy of Permanent Title Holders**, and the **greater community of the Imperial Court of Iowa**, I cherish your support and confidence. Your encouragement and guidance were invaluable. I hope you know each one of you made an impact on me.

I also must take a moment to share my appreciation to the friends I have made this year, too many to name. Your camaraderie and support will not be forgotten, nor will the many laughs we shared.

To my children: **Weston**, **Willa**, and **Adler** – you supported and motivated me in ways you were not aware. You bring joy to my life and give me purpose. I love you so much!

Lastly, **Tyler WG**, there are not enough "Thank Yous" to cover all you have done for me this year: sewing, making food for the PR Ball, 3D printing, being my dresser, and traveling with me to name a few. I am not sure I could have done this without the support, companionship, and encouragement you provided. I am blessed beyond measure to have you in my life.

I will be forever indebted to those with whom my path crossed this year. I hope I have made an impact within the community and the Court ...as for me...

I have been changed, For Good.

The golden phoenix of the rose garden. Mistress of musical theater and belter of ballads.

If gin makes you sin, forgive me for I have ginned.

Princess Royal for Reign 32, Eva Rose Knight

Hello everyone that has come to Coronation 33. This has been a very fulfilling year for the Imperial Court of Iowa. First off, I want to congratulate **Evan Waters** and **Regie-Tyron Lee Knight Stahr** for a fabulous year. You guys have had a fun and fulfilling year of fund-raising. To all royal family members, you also did an amazing job this year, but don't let this be the end. Continue to raise funds for local charities. When I was asked to be Princess Royal for the year, I was very honored.

To **Eva Rose Knight**, my Sister, Thank you for everything that you have done and couldn't have asked for anyone more outgoing and fun to have been on this journey with.

To the **Board of Directors**, thank you for everything that you have done and helped out with. If it wasn't for you and all that you have done with laying down the foundation of what the Imperial Court System stands for and represents. To all the past **PRs** from the Imperial Court of Iowa, thank you for all you did, and it is an honor to be part of the Solidarity.

To the **local community**, a very, very big thank you for coming to the shows and donating to the cause. Without you supporting local fund-raising events we wouldn't be able to do what we do.

To the soon- to- be **New Monarchs**, may your year be filled with good times and fun times. Let the fund-raising continue and don't forget that even if it is one dollar, it can make a world of difference.

Here's to the **New PRs** of reign 33 Keeping an open heart and an open mind. You got this and will do great. If you feel that you are getting bogged down, don't worry, all you have to do is reach out for help, and you will get it.

Shout out to **CVS** and **Vanity Vortex** PR's from **Nebraska** for the honor of performing for your PR Ball. Had a wonderful time and loved The **Imperial Court of Nebraska**. I always have a blast when I attend your event. Coronation weekend was a good time and the out-of-town show and bus tour were a blast. Had a blast playing cards with **Mercedes**, **LXis** and **Regie** in the hotel lobby and the sing off that went on that night.

To **CVS** and **LXis**, Empress and Emperor of the **Imperial Court of Nebraska**, looking forward to seeing what amazing things that happened during your reign and attending many of the upcoming events.

To the **Imperial Court of Minnesota**, Congrats to Emperor 32 **Desheveled Bearden** and Regent Emperor 32 **Dairn Hatch** on your fabulous reign. To Regent Emperor 33 **Shawn Creveling** and Regent Empress 33 **Billie LaTease Austin**, here's to you guys in the upcoming year. I can't wait to see what you guys have planned for the year and attend upcoming events. To Princess Royale **Kitten Kraft Hearts** and Prince Royale 33 **Ben Gurion Snap-Clemons** looking forward to seeing what you guys have planned for the year also. I have enjoyed myself every time that I have come to visit.

Little story time. One memory that I will never forget was one of the very first times that I went to Des Moines with **Rachel Stahr** Empress 12. This was before she was Empress. We ended up at the Blazing Saddles. I was nervous and was drinking Bloody Marys and didn't know at the time that they made them strong. Well, needless to say, I had a few and every time I got a new one I thought I would be smart and add a new straw so that way I could keep count of how many I drank. Boy, was that a mistake. Let's just say the next morning I was told that I needed to go clean the bathroom. It looked like I had sat on a seat and spun, and I had spun around a few times. The lower portion of the bathroom was a new color. That is how I got the nickname on that trip. There have been many more other memories, but this one will always stick with me.

To the One and Only **Rachel Stahr**, Empress 12 of Iowa. What can I say, you have always pushed me to step out of my shell. We have had many good times. I will never forget the very first time that I met you, and you were getting ready for a show at your home, and you were like, let's see what you would look like in a dress. Well, look at me now. I started out as a new beer and have come a long way since then. We have a good time when we are out and there is never a dull moment. You have always been one that I can run things by, and you will give me your honest opinion, and you are not afraid to say what is on your mind. Most of the time, you don't even have to say anything, just the look you give enough. There are not enough words in the world to let you know how much your friendship means to me. You have the biggest heart of any person that I know, and you will bend over backwards to help someone in need. To be honest, I don't know where I would have been if I hadn't met you and David when I had. You guys came into my life when I needed them the most.

With All my love and Support,

THE CRYSTAL AB, DISNEY LOVING WALL FLOWER PEOPLE WATCHER.
QUIET UNTIL I KNOW YOU, THEN ALL BETS ARE OFF.
