9. Seattle	9.5	6.9

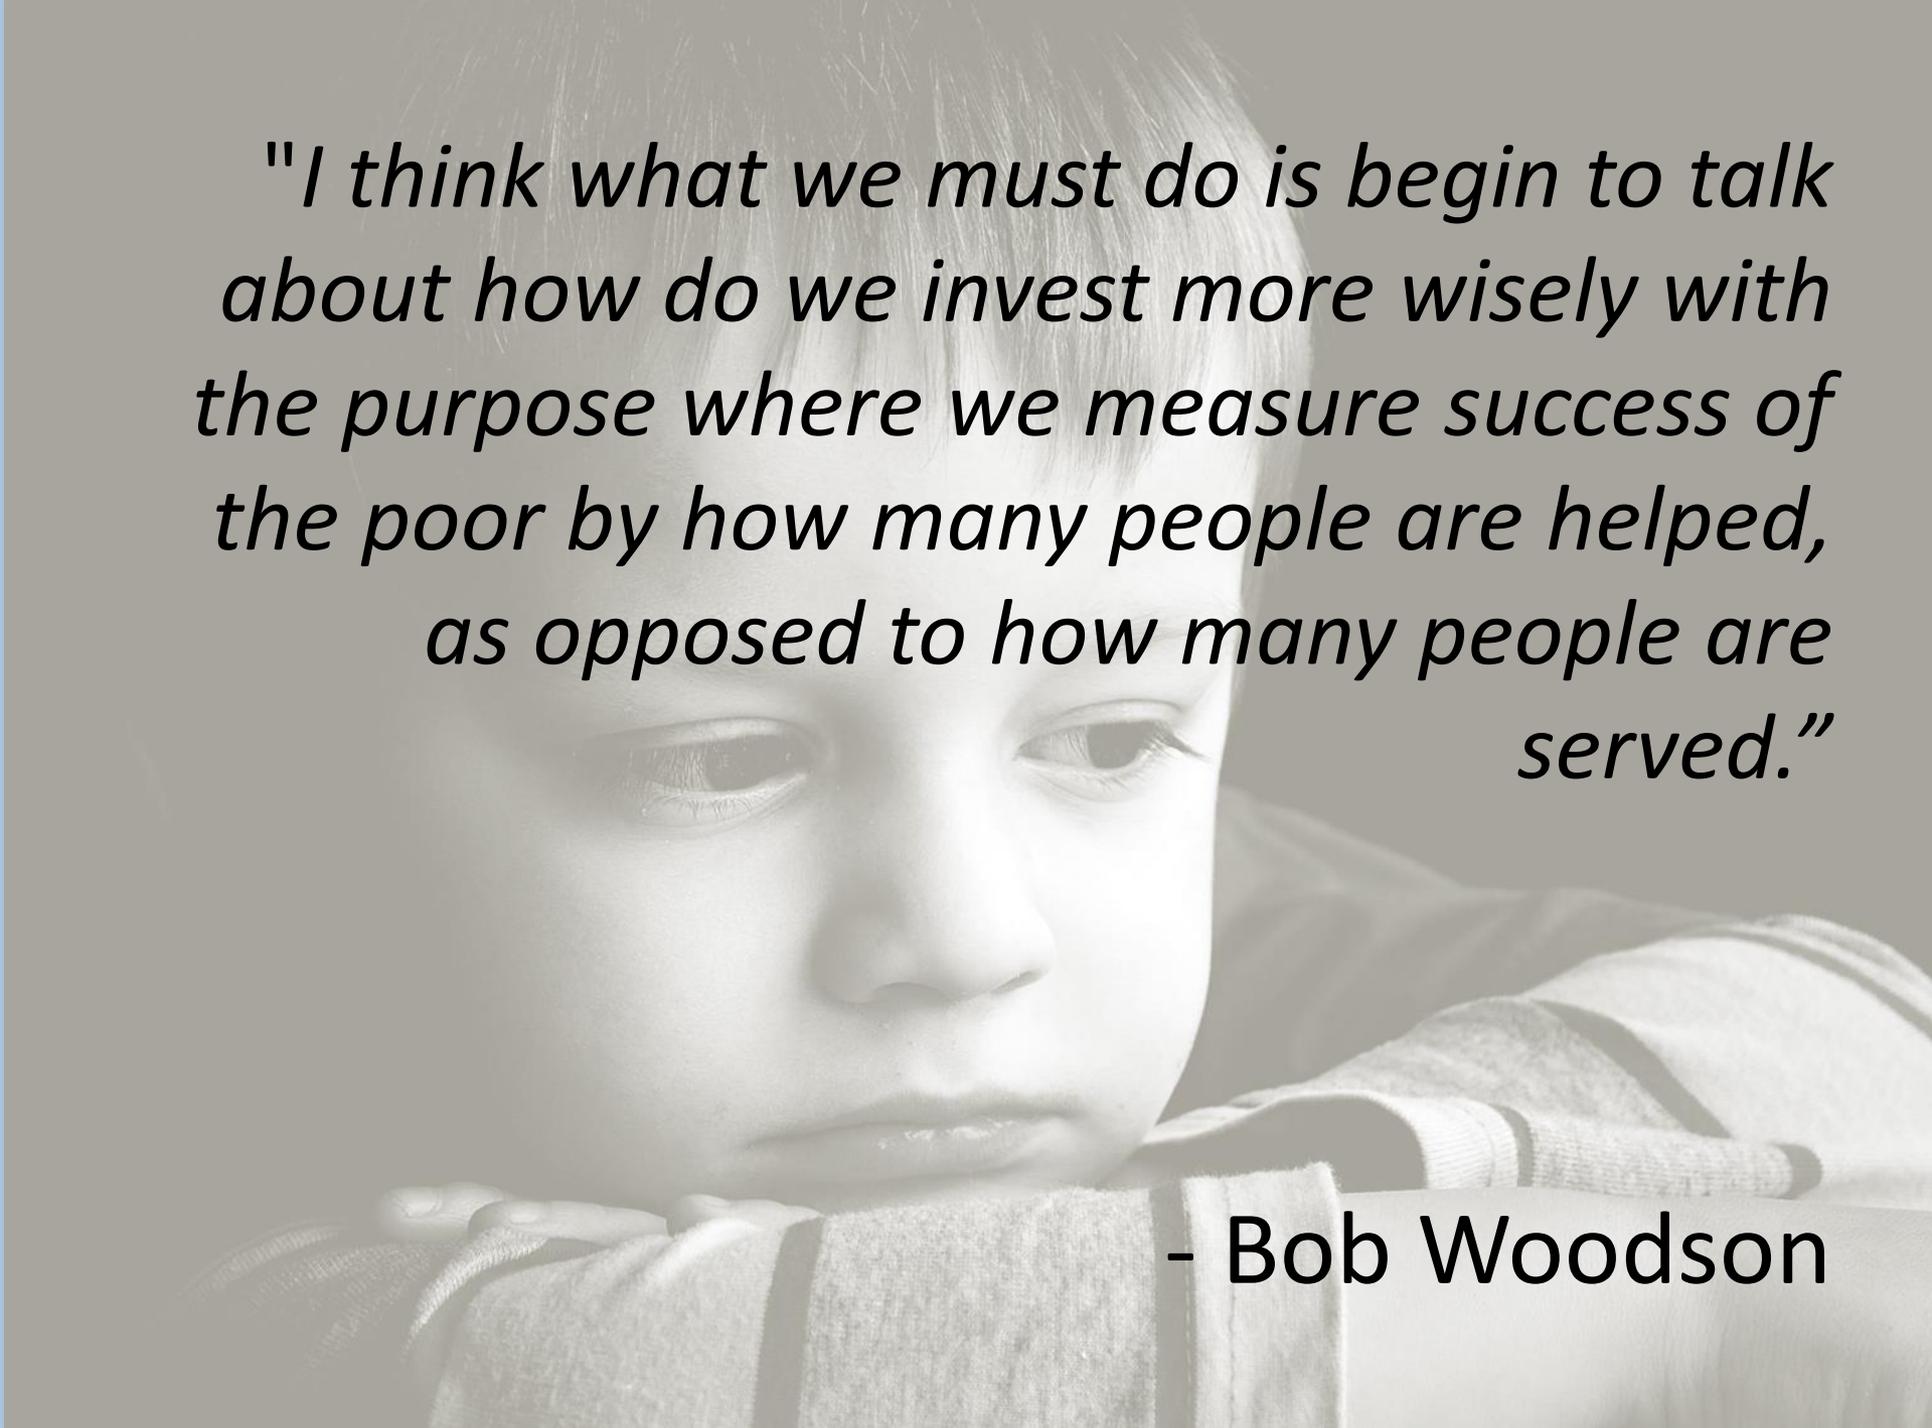

22 percent of Detroiters have disabilities

Source: American Fact Finder 2013

47 % of Detroit Adults are functionally illiterate

"I think what we must do is begin to talk about how do we invest more wisely with the purpose where we measure success of the poor by how many people are helped, as opposed to how many people are served."

- Bob Woodson

***“We must be
bold warriors
for the
vulnerable.”***

-Arthur Brooks
