Reason for seeking treatment (In Brief)	

Thank you for your time in completing this form. All of the information will help us provide a thorough and comprehensive assessment. Any additional information not covered in this form that you think is helpful and important information, please feel free to detail it below.

Additional Information (If applicable)

Office Policies

- Thank you for your visit to our office. All payments are due at the time of service. You will be provided with an invoice, which can be sent to your insurance company for possible reimbursement (with your HCFA form provided by your insurance company). The Arizona Schwartz Group, PC does not participate with any health insurance plans or policies.
- As with all medical practices, we have a 24 hour cancellation policy for all appointments. We hope that you respect that each appointment is a designated time for your care. If you are unable to make your appointment, we respectfully request at least 24 hours' notice, otherwise you will be charged a full session fee. Proper cancellation notice allows our office to schedule as many patients as possible, which in turn reduces any waiting list we may have, and thus allows us to schedule patients who wish to come in as soon as possible. Thank you for your cooperation.
- Office staff will attempt to confirm/remind you by phone all appointments two business days before your scheduled time. However, circumstances may occur when we are unable to make this call or even reach you due to various possible issues (i.e., wrong/changed phone number, voicemail is full, no answer, etc.). As a result, you will be responsible for keeping track of your own appointments in order to avoid the full appointment fee for those missed appointments which are cancelled/rescheduled less than 24 hours.
- Our office keeps a very strict schedule of appointments that run on the hour and half hour. Due to the scheduling needs of other patients throughout the day, we are unable to run over your allotted time should you present late for your scheduled appointment. Any time spent in session when late will still accrue the full session fee.
- All prescription refill requests should be faxed directly from your pharmacy. Calls to the office should only be made for medications which are controlled substances that require a written prescription. Please allow 24 hours to review refill requests and complete them when indicated. Keep in mind, **Dr. Schwartz** may not be able to refill medications if you have not followed up for an appointment as expected. A combination of medical, legal, and ethical laws and statutes, prohibit him from doing so. All significant medication changes must be discussed during a scheduled office appointment and not via phone contact or email. Note, prescription refills cannot be completed over the weekend, thus it is important to allow sufficient time so you do not run out of your medications inadvertently.
- There is no charge for quick, routine letters needed throughout your treatment, However, a more complex letter such as those stating diagnoses, treatment recommendations, school IEP letters, etc., will be billed at an hourly rate of \$300 in 15 minute increments. The same rate applies to any forms that need to be completed as well. Neither provider will provide any court evaluations, instead focusing their practice solely on the clinical treatment of patients. For any court related matters, The Arizona Schwartz Group can refer you to a forensic psychologist or psychiatrist. Please be mindful that completing forms for insurance claims, disability claims, FMLA claims, etc., can be quite time consuming, and this will also be billed at the hourly rate of \$300 in 15 minute increments.
- Copies of medical records for self or medical claims, will be billed at a flat fee of \$25.
- Payment is due at time of service. We accept cash and all credit cards, except CARE CREDIT.
- The Initial Consultation is an evaluation regarding diagnosis and treatment recommendations. The Arizona Schwartz Group reserves the right to determine if treatment should continue with here or be referred out to clinical specialists who would better serve the diagnosis at hand. The Arizona Schwartz Group also reserves the right to terminate treatment of any patient who does not meet compliance with office policies, willfully disregards treatment recommendations and protocols, or is disrespectful or threatening towards office staff.
- While we take measures to secure email, all email use will be solely at the risk of each patient.

Acceptance of Policies and Terms:

I have read, understand, and accept the provisions of this agreement. I have no questions regarding the office policies set forth and understand that should any questions arise, I can contact the office. I also understand that if I violate any provisions of this agreement, my treatment may be terminated. I understand that this agreement is binding in the State of Arizona and is set forth for my protection, as well as for the protection of The Arizona Schwartz Group. The original agreement will become part of my confidential medical records.
