ESA — A Teaching Organization

The Englewood Sailing Association, Inc. was founded and incorporated in 2002 as a 501(c)(3) not-for-profit corporation for the sole purpose of sharing our aquatic resources, in a safe and ecologically responsible manner, with area youth and their families through sailing. To achieve this goal, we are proud to be working in cooperation with the Sarasota County Parks and Recreation Department and have partnered with the Warren Loranger Englewood YMCA to provide instruction in sailing, water safety and respect for our environment.

WHY YOU SHOULD INVEST IN ESA

- ▶ As a 100% volunteer, 501c3 association, all funds generated are used to run our program and maintain our sailing fleet and safety boats.
- ▶ Our ratio of trained instructors and volunteers per sailor is unsurpassed in a SW Florida youth sailing program.
- ▶ The community support we receive enables us to keep classes affordable for youngsters who might otherwise never know the thrill of sailing or appreciate the treasure we have in Lemon Bay.
- ▶ With your banner on display during each of our training days, your community support will be visible at our Indian Mound Park facility.

WHAT WE DO

Since 2002, Englewood Sailing Association is proud to have offered affordable sailing programs for youth and adults in the spring, summer and fall from Indian Mound Park on beautiful Lemon Bay.

Throughout the year, we also offer intermediate and advanced youth classes, as well as providing support for the A.C.E.S., adult members who participate in co-ed sailing. In June and July, we sponsor three full-day youth sailing camps.

Our dedicated volunteers are CPR and First Aid certified, and more than a half-dozen of our members have completed the US Sailing Small Boat Instructor's Course.
