

WEEK 5 OF TEAM TENNIS

Media Flash

Week 5 was a nail-biter with Team 4 (The Forthcoming) retaining first place with 95 points and Team 3 (The Strikers) overtaking Team 2 (The Players) for second place with 93 points. Team 2 remains in striking distance (pun intended) with 89 points. Team 1 (Hot Action) won the most games for the day adding 21 points for a total of 62 points. As predicted, this will be a close one as only two, four or six points separate the top three teams. See the enclosed Scoring Board.

The final match of the tournament promises to be exciting for both players and spectators. Good luck to all. Enjoy the action photos.
