Keeping  History Alive

PRESIDENT'S FALL MESSAGE 2023

I am writing this message on the last day of summer. I hope the hot days of summer are gone for the season. The fall colors will be upon us along with cooler temperatures leading to the fall harvest. Even with the dryness, the crops do not look too bad.

The November 18th meeting will be hosted by J.J. Nichtig Case IH at their Dealer meeting room. The address is 1970 Garfield Avenue, West Liberty, Iowa.

There will be two members retiring from the Board this year. Paul Schaefer and Jeff Eldred have done a great job during their two terms.

With the Board member vacancies, we will need two replacements. Additionally, a new secretary is very needed. Being a Board member does involve a lot of work at times, yet it is also a lot of fun! Plus, you meet so many new people.

Many years ago, our Chapter had a female Board member. Her name was Marlene Leinenweaver. Having a female as a Board member is very important as they offer insight into female participation. Women's presence on the Board contributes to cohesiveness. Women have ALWAYS played a vital role on the farm. Please give it strong consideration ladies. You are wanted.

With the harvest season fast upon us, it is also a great time to dwell on the topic of safety. Everyone – Be Safe!!!

See you all November 18th in West Liberty, Iowa.

Your President,
Bob Gihring
(319) 350-5083

Can anyone help Paul? See message below...

I am looking for information on a Farmall 301 fast hitch Carry-all (this is a large point Carry-all) and copies are just fine. Thanks, Paul Cyko

1ihcollector@gmail.com

I was at an auction. And there was the remains of one with a sprayer on it. And I couldn't see the junk man scraping a piece of history. I took it home and removed the spray tank. And sent the beams to be sandblasted and primed. They are currently in my shop. I really don't have any real plans for it. Possibly it will find a new home again. And there isn't much information on the Internet either.

Thanks, Paul Cyko

RPRU 2024 Update

Hello everyone, hopefully everyone is healthy and harvest is going good and safe. We won't be having a carnival unless we find one cheaper the company I checked with wants \$ 50,000.00 guaranteed for 3 adult and 2 kid rides. I'm still working on a concert. I talked with the CaselH people at Rantoul they are planning to be at Spencer, don't know to what extent yet. Talked to several vendors at Rantoul and Clay County Fair with a lot of interest, some have told me they have sent in paperwork. We do have a toy for the show it's very different than anything before, we have a limited number of miniature windmills. We also have an outside vendor that makes big windmills coming. I have the blankets on hand so anyone that has ordered one can pickup at fall meeting instead of waiting for show. The Red Power Team dealer group and J.J. Nichting dealer group are helping to sell the blankets. We have a golf cart dealer to work with as soon as contract is done will get info out. There will be a limited number available so will also have scooters available. Keep in mind scooters will be allowed in buildings where golf carts and UTV's or side by sides will not be allowed in buildings. We still need help with sponsors.
