Enid vs Westmoore

The last time the Trojans thought about playing the Plainsmen, they shoveled off almost two feet of snow on this field in order to practice for the 2006 6A Championship game against the Plainsmen. The Trojans went on to defeat Enid to earn their 11th state championship.

The Super Fans are back and they are bad.....

Half time trophy presentation to the Preview Sponsors.

Considering that storms passed thru the stadium earlier in the evening, the Trojan faithful came out to support their team and were treated to a great show.

tradition continued with the annual Jenks Trojans Athletics youth football, cheer and Pom teams running out of the helmet pictures can be seen on [Cara Hathaway's website](#).

of the tradition is the interaction of the Varsity players and the JTA youth. Most Varsity players played in the JTA and ran the helmet several time during their youth football years.

End of a long day.. Good Game.
