

Streamlined Financing for the Medical Professional

Falcon Financial Services specializes in financing for the healthcare industry. Working with medical professionals throughout the United States we've helped our clients finance a wide range of equipment including: record management software and other IT related projects, digital x-ray, diagnostic and lab equipment, signage, practice acquisition, commercial property and more. Our clients have grown to appreciate the flexibility that we offer and the ability to make the process FAST, EASY and AFFORDABLE. If you need an equipment loan/lease, longer-term SBA financing or short-term working capital loan, we can help.

Program Highlights:

Equipment Loan / Lease:

- Terms ranging from 12 – 72 months
- Minimum size transaction of \$5,000
- Practice must have been open for a minimum of 2 years
- Financing for most anything needed for your practice
- Up to \$100,000 approved from a one page application within 24 hours
- Flexible terms and rates that compete throughout the United States

SBA Loans:

- Minimum size transaction of \$200,000
- Terms range from 7 – 25 years
- Financing for practice acquisitions, commercial real estate, refinancing of debt and more

Short-Term Working Capital Loans:

- Minimum size transaction of \$5,000
- Terms range from 6 – 12 months
- Transactions approved within 24 hours
- Funds can be used for any business purpose and funding can take place within 5-10 business days

If you're purchasing anything for your practice or just have questions about the financing options available, give us a call. We'll work hard to earn your business and become a financing partner that you can count on in the months ahead.
