LEGISLATIVE REPORT – Hess wrote up a great Legislative report that Pete read, and we discussed. The report mentioned the problems with SB1 and how HB4809 will fix these issues. PLEASE contact your house reps if you have not already!

Treasurer's report: Pete gave the report, which was approved.

Awareness: Pete distributed a lot of the awareness signs in very good, high-traffic locations. He only has 6 left, so if you want one, see him soon.
