## Show Your Support For Our Local Law Enforcement, Fire & EMS Chaplaincy!

Our chaplains assist city and county agencies of Fire, Police, Sheriff and Paramedics seven days a week, twenty-four hours a day and operate without government funding. Please support this valued organization and join us at our annual fundraiser:

### Barbeque on the River, Thursday July 25<sup>th</sup> 4:30 – 7:30 PM

Good friends, great food and wine, and lively music by the *Rhythm Method 4* will make for a memorable evening. Napa Police Department, Napa County Sheriff's Office, Napa City Firefighters Association Local 3124, and American Medical Response (AMR) are hosting the event.

### We invite you to consider:

- A Sponsorship level of \$500, \$1000 or \$2,000 or more
- Silent Auction Donations
- The Purchase of Event Tickets at \$35

Since 1996, a proficient and professional team of Chaplains has emerged who selflessly serve our agencies and fellow citizens during their darkest hours. Senior Chaplain Lee Shaw has developed and managed this organization, establishing crisis intervention programs with a long-standing tradition of excellence. When our local Fire, Police, Sheriff or Paramedics are dispatched to a 911 call, Chaplains arrive on scene to assist first responders by attending to victims and their families. Often, the Chaplains' services extend weeks or even months after the initial incident, providing ongoing comfort and support and are often called on to act as a liaison with various agencies.

See the enclosed Event Flyer. The Donation Form will guide you regarding Sponsorship options, Silent Auction donations, and ticket purchases. We greatly appreciate your participation, and assure you that all gifts are fully tax deductible. You can call our hotline if you have questions or to make reservations for the event: (707) 241-3173 or email chaplainbbq@gmail.com.

The Chaplaincy Board of Directors wish to extend their heartfelt thanks to the Napa community for their generous support of the Chaplain Program.

Sincerely,  
The Chaplaincy Board of Directors
