This class will squeeze the creative juices of your child with a magical sensory experience in a relaxed fun environment. This activity is based on **Sensory Psychology** and is a fun way to learn about thinking logically & being creative at the same time.

Kids can be trained at an early age to interconnect with **Smells, Taste & Color**. Sign up now!

Activity includes:

- Discovery of science & art using all 5 senses.
- Critical & Creative thinking.
- Hands-on interactive activity for each class includes music and classical art.

**Cost: \$85** (for 6 weeks. The fee includes all art materials and is subsidized by extracurricular tax donations).  
Checks Payable to Archway Classical Academy Scottsdale.
