## Athlete of the Month

We are proud to announce that our October Athlete of the Month is Dakota Kasner! Dakota, who will be 3 in December, is the daughter of Donald and Stephanie Kasner. Dakota currently resides in Austintown where she looks forward to starting preschool. She says that she can't wait to learn new things and meet new friends.

Dakota has been enrolled at Team OGI since September 2010 in our Toddling Turtles class, and she is really looking forward to moving to the Bouncing Bears this upcoming winter. Dakota can always be heard giggling throughout the gym during her gymnastics class. Her instructors say that she is always so happy and an absolute joy to have in class. She loves working on Handstands on the wall and practicing walking across the Balance Beam by herself. When asked to select her favorite event, Dakota didn't hesitate to answer The Pit!

When Dakota is not in the gym, she enjoys going to the park with her Papa and spending time at the beach, which is her favorite place in the world. She even brought back beautiful sea shells from her last vacation. One of Dakota's greatest joys in life is being the big sister of baby brother Don, who just turned 1!

A few of Dakota's favorite things include the color blue and pizza, especially from Wedgewood. One thing that most people might not know about Dakota is her age; people always think she is older than what she is!

Congratulations Dakota  
OGI's October Athlete of the Month!

## Staff Spotlight

The Ohio Gymnastics Institute, Inc. is proud to announce that our October Staff Spotlight is Shane Tallon!

Shane is a 2006 graduate of Beaver Falls High School in Pennsylvania where he was born and raised. Shane also attended Beaver Falls Community College. Looking for a change of scenery, Shane moved to Austintown, Ohio in the late spring. Upon moving to the area, Shane quickly sought out OGI, so that he could put his gymnastics talents to great use!

Although Shane is a new face to Team OGI, he is no stranger to the sport of gymnastics. While living in Beaver Falls, he taught gymnastics at Arcadia and Tumbleweeds Gymnastics. Shane has worked with athletes from entry level gymnastics through competitive level athletes.

Prior to finding his niche in gymnastics, Shane worked as both a department manager and a nurse's assistant. Shane is a very motivated worker. In addition to coaching, he also works at O'Charley's restaurant in Boardman.

Shane currently holds certifications in First Aid, CPR, and AED training. Shane also holds a membership to USA Gymnastics and is Safety Certified. Shane is also very active in community service.

When he's not coaching, Shane can be found flipping through the gym. He prides himself on keeping up with his own gymnastics skills. He also enjoys drawing and spending time with his family. Shane just welcomed a nephew Camden to his family at the end of September.

Shane's future goals include living away from home on his own and making a living by coaching gymnastics.

Congratulations Shane  
OGI's October Staff Spotlight of the Month!
