

The Friends of the Sharon Public Library

Adopt-a-Book Program

Adopt-a-Book supports the community and the Sharon Library.

Book adoptions are a meaningful way to honor a loved one or commemorate a special event. They make a special thank you gift.

We will place a bookplate inside the book with your name, the recipient's name, and your personal message and, if you desire, mail an adoption certificate to the recipient.

Choose a book from the library's collection or we can choose one for you based on your criteria.
