

**Blue Springs Farm – Spring and Summer Break Camp 2025**

Are you looking for a great spring and summer camp for your child? Blue Springs Farm is the answer!

Our spring and summer camps will help your child grow, learn responsibility and most importantly, understand the beauty of owning and taking care of a horse. The camp is for boys and girls with any level of experience, ages 6-16. They will acquire the skills of general safety, horsemanship and the main responsibilities of caring for a horse. Campers ride twice a day, usually once in the arena and once on a trail ride. Camps are one week long and run Monday through Friday, 9:00 am to 3:00pm. Early drop off and late pick up are available; please call for details. The fee is \$450 per week, and a \$50 non-refundable deposit is required to reserve a session for your child. We do offer discounted sessions for those who would like to sign up for multiple weeks, again please call for details.
