We're Going Home!

June 10, 2015 - Reposted 7.12.21 – 7.7.24

The Lord bless you, Youtube family!

Well, I have a real sense of anticipation about today and about this time that we're in right now in the month of June. And that's why I named this We're Going Home, because I believe that that's about to happen.

Tonight, when I went to be with the Lord for worship, I was worshipping Him - it took a while before I could actually see Him, but when I finally did, He was wearing fatigues. And I was dancing with Him and I was also wearing fatigues! And I thought, 'Wow - that's strange! Why am I wearing fatigues?' I didn't ask Him at the time.

The Lord took something that looked like a name tag, you know, the kind with the adhesive on the back. And while He was still dancing with me and stuck it to my back. I wondered what was written on it, then I saw it. What was written was "MINE." Wow! No one would be confused about who I belonged to now, even in the midst of chaos.

I also had a maroon beret on. He stopped for a moment and pointed to the sky, and above us was a huge airship flying away from the point where we were at into the distance. And the sense was that we were circling the Earth, that the airship was circling the Earth. And out of the place where there would normally be bombs, like the bomb bay, were pods or cable car looking busses dropping out of the 'bomb bay'. And they were accompanied by angels. And I heard the word "personnel carriers."

And these busses were just hanging in the air with angels near them, but they were being dropped in various places in the world.

I asked the Lord, "Why am I wearing fatigues?"

He smiled and answered, "*Because you're helping Me.*"

I am?

"You are My designated assistant."

Wow! What do I do?

"Follow Me around, comfort Me and keep Me company." He said very matter-of-factly.

Oh Lord, what an honor.

"No, what a blessing that one of My Creations can't stand to be without me for an instant."

Even when my mind drifts?

"Leave a tender moment alone. Lately, you've been tuned in almost continuously."

Well Lord, I know I need to thank You for that grace.

"Thank you for taking hold of it, My Love."

"We are about to make Our Move...taking you up and away from this place. Don't worry about anything, not even one thing. Not the yard, (Oh, guys - you should see our yard - it's really horrible. It needs leaves raked up and everything...) Not cleaning, bills, eating, nothing. Just accompany Me day and night. I will come for you when you sleep so you can be with Me even then. But you haven't much time."

"The hour is approaching. Leave off with everything of the world and stay by My side. I love having you here, I love reaching over and touching your hand. I love gazing into your eyes... and forgive Me for not allowing you to see Mine a great deal. You just couldn't bear it and I don't want to weaken or disturb you. Soon enough, My Love, we will be together, soon enough."

"Tell your spouse that because of his faithfulness many have come to Me in this past week. In fact tell everyone, 'Those of you who were faithful to accompany Me, those of you who went out of your way to pray and keep vigils, you have reaped much fruit for the Kingdom of God and there will be fanfare when you arrive and great celebration.'

"In fact, you will receive a hero's welcome, because all of you are heroes in your own rights. You have persevered and endured much. The final hour is yet to come, so be on your guard, keep watch. The clock is ticking seconds away from your departure."

"Lord, I haven't done enough for my children."

And the way I feel about it, guys. It's just - you know, I'm trying to keep up with taking care of you guys who are hungry, the whole audience on Youtube, you're hungry, hungry, hungry. And I've spoken to my children about these things for years...and they stopped taking me seriously, you know. I've put packages together, but that was a while ago and things are a little disordered. Maybe the Lord will give me the anointing to do that, I don't know. But it doesn't sound like it.

But I told Him, "Lord, I haven't done enough for my children."

He answered me, *"Don't worry about them, I have them covered. Each and every one has a provision. Don't worry, Clare. What you have done for Me, I have done for your children. Notice I said 'I have done'...because I have finished it, all the way down to the last detail. You do not understand the workings of time in Heaven, but I tell you that it is completed and I want you to enter into your rest. Just be vigilant, you don't want to spoil this time and the enemy will try to distract you with insignificant details."*

"Tell My Brides, stop worrying about whether or not you will be taken. You know you are Mine and Mine will be with Me. Little mess-ups and faults have you all hung up on details. All tied in knots. I am not like your earthly father, I'm not like your earthly boss, nor am I a military sergeant. I am YOUR LOVING SPOUSE, I care for you tenderly, I understand your pressures far better than you do. I see the demonic attacks you are continually fending off and beating yourselves for. I see the bent of your heart and it is pleasing to Me. You are coming with Me. Keep your eyes open, pray for mercy for the inhabitants of Earth who must stay here."

"Get ready to see your loved ones, get ready to be totally overwhelmed by My Profound Gratefulness for your Faithfulness.

"Yes, I am grateful, profoundly grateful. You are not used to being appreciated, you have no experience of the kind of appreciation and respect I have for you. But you're going to find out and be totally overwhelmed. Yes, this will be My joy, to watch you being overwhelmed!

"I want you to stop straining on gnats and rest. I am taking you."

And here I want to make something clear. We're talking about contrition and being sorry for your sins and having repented. Checking your conscience every day and asking the Lord to forgive you. But there are some of you who are still insecure and still fluctuating and still feeling like you're gonna be left behind because you did one little thing wrong. No, you've lived a life-style of faithfulness to the Lord. You stayed pure and clean from sin and He's going to make the difference up. So, don't be scrupulous! Don't be going over and over it and saying, "No, He's not gonna take me, He's not gonna - I did this. No, He won't take me 'cause I did that." That's ridiculous! That's straining at gnats. So, as He said, if you've kept your heart pure and lived for Him, you don't have anything to worry about.

"If you have given your heart to Me, and live for Me and Me alone, no matter how many mistakes you make, I am still taking you. I'll work out all the kinks in your nature in Heaven, don't sweat the small stuff.

"Just be kind to your neighbor, keep your heart clean and do not give into fear. The last few hours will be intense, but remember I told you they would be. Hang onto Me, keep your eyes off of man and keep your heart riveted on Me, especially being here for Me and comforting Me.

"In this hour I bless you with a steadfast spirit. To each of you has been assigned more angels to keep you steady as our time approaches. I am with you, let nothing frighten or disturb you."

And Ezekiel has been in prayer just about non-stop for the last two days. And the Lord spoke to him very clearly as he was praying. He said, *"All of this which is about to unfold is in My control. Be at Peace, let nothing frighten or upset you."*

Heavenly Surprises

July 9th, 2024

How wonderful You are Lord, to give us this hope. I pray that you all will accept these timely and beautiful words from His heart. What great hope we have!

"My people, how dearly we love all of you, yes even those in rebellion who are serving Satan. This is the appointed time to cleanse the Earth by fire and prepare it for the reign of the new kingdom, God's Kingdom. Yes, this is the appointed time, and you are the generation chosen to carry on until My return. The old must be destroyed so that the New World in which I shall reign, is prepared to accept Me. Do not fret about your dear ones left behind, have I not said that 'you and your whole household shall be saved?' But some will be saved like going through a furnace of God's justice.

“You have so much to look forward to. This is only the beginning; you are going to find fulfillment and restoration as you enter eternity. There is absolutely nothing you have desired to see, or do, that will not be fulfilled in Heaven. Heaven is the fulfillment of all your dreams, every single thing that you love will be with you in Heaven. Every single skill or activity you wanted to do; you will master in Heaven. There will not be any such thing as boredom, every single day will be like the best Christmas you ever had on Earth.

“Throughout your life, you have had many questions and events you wanted to understand, but you were unable to get satisfaction. In Heaven, all knowledge will be given to you and every mystery will be exposed to you. All things will become crystal clear and fit together in a way you could never fathom. Every question you have will be answered, and the many mysteries that cling to you from your life on Earth will be answered for you and lift a huge dark cloud of confusion off of you.

“Heaven is a place of supreme happiness. Everyone will know you and your history, and they will love you with a sweetness you cannot comprehend now in your limited understanding. Children, friends, parents and so many of your acquaintances who you grieved for because you thought they would not make it to Heaven, will surprise you with their presence and joy at seeing you. Disagreements, confusion, arguments, misunderstandings, ALL of these will be immediately resolved because they will be seen for what they were without the influence of Satan and his demons.

“You do not know it, and you cannot see it, but right now in this moment, wherever you are, the space you are in is thick with demons and angels. Not only that, but the evil ones are examining you to find an opening they can exploit to cause you misery and isolation. Yes, isolation, depression, sadness, confusion is what they are all about. The guilt you have felt because of misunderstandings or things you thought and said that caused a break in your relationship, will be immediately healed and your mutual love will be restored.

“You will also have the opportunity to live with your children and correct the mistakes you made in bringing them up, you need this opportunity to become whole again. Every child that you had will be restored to you in the areas you were lacking when they were growing up. That also means that your parents will be restored to you in the way they should have been towards you. This means you will be nourished, treasured, forgiven, and guided in the proper way to interact with a child. So many on this Earth have had abysmal relationships with their parents, or no parents at all. They will be repaired, restored and you will grow up from the place you were wounded.

“You see, in Heaven the structure of time is so different than here on Earth. Everything seems to happen so very quickly; this is merely an illusion which you will understand when you arrive there. When you see those souls that did not make it to Heaven but are undergoing the tortures of Hell, you will understand God’s justice as perfect and will have no regrets or guilt. All the dynamics of demons will be so clear to you, that you will realize what a deception you were caught in.

“You will be able to literally re-think your life with the new understanding that your interactions with others was in many ways manipulated to cause a separation. It was not your brother, or your sister, your mother who made life difficult, it was the demons working through them. And in many cases, they are the same demons passed down through your bloodlines. These demons had been working for centuries to steal your family’s destiny and make sure you never reached your full potential. In Heaven, all of that will be restored to you.”

There Is Much To Look Forward To

July 18th, 2024

Thank You, Lord Jesus, for the hope you have stored up for us in Heaven. Amen.

Here I am Lord.

“And I am here too,” He replied, “Joyfully awaiting the time when I can share My love and message with you. I bet you did not know how much I look forward to

this time, but I do.”

I am all ears for You, Lord.

“Well, many seemingly conflicting events are swirling around in this world right now. Many prayers have been answered, yet certain unavoidable events are only hanging in the air from a thread. Prayer and repentance has done much good. I cannot stress to you all how important the gift of repentance is. Yes, it is a gift as well as the state of the soul. America, your cries of repentance and for mercy are being heard. In fact, they are taking their toll on the kingdom of darkness.

“Remorse for sin cannot in any way be underestimated. Nineveh repented and they were given more time. In the end destruction had to come, but it was long delayed by their response to Jonah along with certain events on the Earth and in the sky that happened as well.”

Lord, I do not want any of me to get into these messages.

And I said that because I am always suspicious of my own self trying to create a message, but He is so faithful to keep me from doing that, but I mentioned it anyway, and He said:

“I am watching out for you because I know this is your heart’s cry. Nothing has changed with the timing; the clock is still on the countdown.”

Now the reason He said that is because I heard that China is experiencing some incredible conversions. And I thought, ‘Wow, what if China converts, maybe that would delay everything!’ I mean, it would make sense, so I was wondering about that, but He clarified it for me ahead of time and said,

“Nothing has changed with the timing; the clock is still on the countdown. Things are moving forward steadily, but no one really wants to be the first to push the button, they realize the devastation they will bring upon themselves and they fear it. However, hatred and greed in the end will triumph and they will go through with their nefarious plans. I have prepared all of you for these events, you should be ready. And I am not talking about food and water, but spiritually prepared to cleave to Me and die for your faith if necessary.

“So much I have not told you because it was so very tragic and ugly, but the old must be cleared away so that the new can flourish. But woe to the people of those times, how painful it will be. But you have an advocate, no matter what happens, you have Me and I am standing by to assist you through these times.

“Do not ever fear that I have abandoned you. I will never abandon you no matter how challenging situations become, I will help you navigate through them. No matter how trying things get, remember that I have gone

ahead of you to prepare your very own place in Heaven. A place filled with delights and surprises. Beloved ones, I have walked with you your entire life. I was there when you picked up that pretty stone from the riverbed, and I made note of its color and shape and what charmed you about it.

“Some of you will find that very stone embedded in the floor of your castle, sliced and polished inlaid in your floor, what surprises you are in for! Others among you loved fossils and your floors will also reflect the great event in time when life came to a standstill and turned to stone. What brings Me great joy is your recognition that I created that fossil, that gem, that stone, just for you in anticipation that you would someday see it and find it pleasing and unique. I have created such little treasures just to please you, because I love you and appreciate you so very deeply.”

And you know, I have reflected on this at times, there have been some rocks that cried out, some stones that told me a story or were a- really a loud “amen’, a confirmation of what the Lord was saying to me in the spirit when, you know, maybe I was going through a time of trial and I see this stone, one has a Tau cross on it, which is representative of the Franciscan order, and I found it in a stream bed in Arkansas oh, thirty years ago or so, and the cross it is so very clear and there is lightening on the stone and two doves, and I knew when I saw the two doves that the Lord is going to send me a helpmate, a husband, because I was single at the time.

Anyway, I still have that stone, and the stone to me represented having a Franciscan community and being married. And that was so wonderful to me, I cherished it and kept it, knowing someday God was going to fulfill that promise to me. So, when you look at the ground, do not be surprised if you see something that reminds you of a prayer or a request or is a confirmation.

You know, many times when we are all going through trials, we will cut a piece of fruit open, and it will be in the shape of a heart, or we will spill our coffee in the shape of a heart. I mean I cannot tell you the amount of times God has given me little signs of His love in the midst of difficulties, so keep your eyes open for that and I also take pictures of them and keep them in a little file to remind me, ‘He promised me, and He came through.’

“Many” He continued, “Have labored in My vineyard without the satisfaction of seeing a reward, well let Me tell you, I have missed nothing, and I have spared nothing, to show My appreciation for you. There are so many among you who discovered your destiny late in life, too late to really enter into it. Clare is one of those, and for you, life will just be beginning when you embrace that new discipline in Heaven and are able to create and live it, for eternity. And you will share it with all your friends and relatives who will rejoice with you as your talent blossoms.”

This is really going to happen, guys, that is what we have to look forward to.

He continued, *“You see, this earthly travail will come to an end, after all, it is only a test, to see if you are worthy of Heaven and when it is completed you will go forward in complete freedom and blessedness to live a fulfilling life with the angels and saints of Heaven, with Me. So, as we enter these turbulent waters, do not despair, Earth is nearing its end as your proving ground and will be returned to you as your paradise.”*

Amen.

A Good Soldier for Christ

July 29th, 2024

Greetings dear Family, today the Lord reminds us of what it takes to be a good soldier for Him. In 2 Timothy Chapter 2, verses 3 and 4 Paul writes, *"Join with me in suffering, like a good soldier of Christ Jesus. No one serving as a soldier gets entangled in civilian affairs, but rather tries to please his commanding officer."* Amen.

This letter from Paul to Timothy meant that Timothy was to suffer "as a good soldier of Jesus." Paul did not have violence in mind, but rather the attitude of a well-trained soldier. Military personnel focus on their mission, not unrelated concerns. They leave the greater planning, as well as the details of food and housing, to their commander.

Ephesus was a Roman military city during this time. The image of a soldier would have been very familiar to Timothy as well as to other believers in Ephesus. Paul was suffering in a Roman prison at the time he wrote these words. He expected Timothy to also be willing to suffer for the faith and endure hardship for the sake of Christ. This was the expectation of the believer who sought to live fully for God.

The words in 2 Timothy reminds me of Maximilian Kolbe, who was a priest, a prisoner and a saint. He sacrificed his life to save a Polish political prisoner at the concentration camp in Auschwitz.

When he was 12 years old, young Maximilian had a vision of the Virgin Mary. He later described the incident. "That night I asked the Mother of God what was to become of me. Then she came to me holding two crowns, one white, and the other red. She asked me if I was willing to accept either of these crowns. The white one meant that I should persevere in purity and the red one that I should become a martyr. I said that I would accept them both." And he did.

When Maximilian was a student, in the midst of his studies, World War I broke out. Maximilian's father, Julius Kolbe, joined a Polish Legion fighting against the Russians for an independent Poland, still subjugated and still divided among Prussia, Russia, and Austria. Julius Kolbe was caught and hanged as a traitor by the Russians at the relatively young age of 43. This was a traumatic event for young Maximilian.

He became a Catholic priest and a Franciscan friar who volunteered to die in place of a man, he did not know, in the German death camp of Auschwitz, located in German-occupied Poland during World War II.

On February 17, 1941, the monastery where Father Kolbe lived and worked was shut down by the German authorities. That day Kolbe and four others were arrested by the Gestapo and imprisoned. A few months later, he was transferred to Auschwitz.

Continuing to act as a priest, Kolbe was subjected to violent harassment, including beatings and lashings. Once, he was smuggled to a prison hospital by friendly inmates. At the end of July 1941, a prisoner escaped from the camp, prompting the deputy commander, to pick ten men to be starved to death in an underground bunker to deter further escape attempts. When one of the selected men, cried out, "My wife! My children!" Kolbe stepped forward and volunteered to take his place in the starvation bunker.

Father Kolbe led the prisoners in daily prayer. Each time the guards checked on him, he was standing or kneeling in the middle of the cell and looking calmly at those who entered. After they had been starved and deprived of water for two weeks, only Kolbe and three others remained alive.

The guards wanted the bunker emptied, so they gave the four remaining prisoners lethal injections of carbolic acid. Father Kolbe is said to have raised his left arm and calmly waited for the deadly injection. He died on August 14th, 1941.

Jesus began speaking, "My servant, Maximilian, knew what would happen and he didn't care. His only concern was to bring someone closer to Me. He suffered willingly and without complaint. Cease to complain, My people, your sufferings are minuscule compared to Mine and those of the saints. Understand, children, that someone cannot kill My Spirit that lives within you if your will is My will. Your compassion and love for others, for strangers, will shine forth so that all will know you belong to Me.

"You are not in the secret service, you are in My army, and should be engaged in spiritual warfare against the enemy. The devil, the flesh and the world are real and are out to destroy your testimony and effectiveness as believers. The enemy will seek you out and try to dismantle the work I have done in you.

"I have called you to be good soldiers and prayer warriors. Together, we will be victorious in spiritual conflict and battles. Do not get caught up in distractions or become divided in your faith. You need to be steadfast and unwavering when hardships come your way. Do not allow yourselves to be easily discouraged. Be prepared at all times, be resilient, be willing and be joyful in the midst of trials. A good foot soldier remains watchful and stands true to the end.

"Your focus should be to let others see Me through you in all things. If you are distracted, you become vulnerable which opens you up for Satan's attacks. He wants for you to be ineffective, he wants to have influence over you, and to derail you from My plans. People should see you only as My faithful ones.

"I delight when your thoughts, words and actions are pleasing to Me. When you are diligent, vigilant at your post and remain steadfast. To be in My victorious army requires effort on your part. Remember, you are wrestling with darkness and the spiritual evil of this world. Go forward, dear ones, and wear the true hallmark of one who belongs to Me. Lift up high your royal banners of love, compassion and courage." And that was the end of His message.
