TARGET ASSET ALLOCATION

Green Pastures will provide you with our **Client Profile** questionnaire. This tool will help you select an investment portfolio that best matches your **Financial Objective, Risk Attitude and Investment Time Horizon** with respect to your Defensive Growth Program investment portfolio with Green Pastures, which may be more or less volatile or aggressive than your entire portfolio (managed by Green Pastures and/or elsewhere). Note: Depending upon market conditions, the target equity allocation of each model may be in the market, out of the market, partly in and partly out of the market, and/or short the market with a limited portion of the target equity allocation.
