Writer, Musician, Educator and Amateur Naturalist

I'd be delighted to attend a virtual book club meeting, community group, writing group or classroom. I have experience leading a variety of workshops and discussions.

These prizewinning stories champion the everyday person who tries to do his or her best in demanding and even demeaning situations.

READING

I can read from my new collection, share some stories and answer questions.

A Common Person and Other Stories, forthcoming from the University of Notre Dame in February 2021, can jumpstart a great discussion on dealing with bullying and abuse; everyday courage among children and adults; individual rights, especially to dignity; love in every family; romance and song in every heart.
