District 25 – 1 DCM, 1 ADCM, 9 GSR’s – we were well represented.

Speakers: **Friday night:** Dawn Klug, General Service Board Class A Trustee: (non-alcoholic) Great story. Orientation afterwards for GSR and a separate one for DCM's

Saturday: Assembly Discussion:

Tara then invited assembly members to share their opinions on two pre-selected topics. Each topic will be noted below, followed by the various comments expressed at the mic. Dan provided additional background on the topics being discussed.

1. Founders' Literature: What general process should we use to classify writings as Recovery, Service, or Archival/Historical? Who should determine the classification?
2. Founders' Literature: What literature do you consider to be in each category of Recovery, Service, or Archival/Historical?

In my opinion, from the sharing, the overwhelming consensus was - don't change anything!

That is one of the things I love about AA and the meetings – you can share what you like and no one needs to dispute you – our Traditions at work!

The Afternoon: Workshops and Subcommittee meetings. District 25 Subcommittee -Treatments and Accessibilities –gave a workshop that was well attended.

Evening: Carolyn W., Alcoholic, General Service Trustee, A.A. World Service Secretary – told her story - Her story filled with humor, humility and recovery.

Sunday: I had to leave early Sunday morning, but in the past, we had a wonderful Sharing Session – Topic: This weekend I was inspired by... AA Meeting – God As I Understand Him. Would anyone like to share very briefly on their Sunday experience?

N.B. - EPGSA 2026 is a voting year - Please register early for the whole weekend, if you can. Your food is included in your hotel room price. Ask your group to start putting money aside for your trip. Friday night, there will be a GSR orientation(which I found very helpful.) ADCM's have an orientation and be instructed on the voting procedure and be runners for our District 25 votes. It is a lot of fun!
