Unlike other organizations, one does not "sit on" this board. It is truly a working board. This past Saturday is an example. This group along with other volunteers devoted the entire day to working on Shepherd Hill. We work, we eat, we laugh and we have fun but most importantly, we come together to make the Samantha Community stronger and make opportunities to do good for our neighbors (Galatians 6:10). And we were served a wonderful lunch thanks to Brian Fortenberry and Uncle Dennis from Dat's Good Restaurant in Northport.
