

From the desk of Dan Kessler,

When people need help with their health insurance application or current account, they can click the **Need Help, Find Local Help** or **Help on Demand** button on the Covered CA (CCA) website- www.coveredca.com, and CCA routes your request to one of their trusted top specialists.

I'm one of CCA's top Help on Demand specialists. I've helped 1000s of people. **Help on Demand** is a FREE service from CCA to offer additional help to consumers. There is no cost or added fees to premiums.

Since CCA began, I have been appointed by CCA to help people. I am licensed with over 30 years of insurance industry experience. PLUS, I'm available to you year-round for help and advice. The best part is - there is no cost for expert advice and assistance.

When You Delegate a Free Covered CA Certified Agent:

- **Your privacy is maintained in the CCA System.**
- **Avoid waiting on hold from calling the CCA statewide consumer #800.**
- **Contact my direct phone # (below) for fast service with Covered CA.**
- **Feel free to give my direct contact info to friends, family or colleagues.**

NEW APPLICATIONS or CURRENT ACCOUNTS

For new CCA applications

- I do your new application over the phone and make sure it's done correctly.
- I offer strategies to make sure you receive the most subsidy \$.

For current CCA account issues

- If you already have a CCA account, you can easily delegate me as your FREE Certified Covered CA Agent.
- I help with new strategies, info updates, application changes, selecting different plans, fix mistakes or account glitches.

- I also double check application accounts to make sure you are receiving the most subsidy \$ possible.
- I make sure everything is done the right way.

If you have any more questions, email, or call.

- To make it easier for you, there are a few technical issues with CCA and each insurance company that it's good to know about.
- I'll give you all the info you'll need.

NOTES:

- The Enrollment Period for Covered CA usually begins Nov. 1st and ends Jan. 31st.
- Depending on circumstances, (fires, floods, public emergencies) special CA enrollment period dates and guidelines can occur after Jan. 31st.

- Covered CA is California's Exchange for the Affordable Care Act (commonly called Obama Care.)
