August 2017 President's Message

Wow, August already! Soon school will be back in session and the jet skiers will be gone from pyramid and casitis lakes. Fishing ought to pick up. It has been a spotty year but Blue fin and white Sea Bass are out there.

Our August Tak/Seajay trip is coming up. Hope you come prepared and are ready to fish. As always, we are looking for input on next year's charters. We'd like to make the club as inclusive as we can. I heard a club member caught a huge white fish. I hope there is an article and pictures to go along with the story.

I want to thank those who helped with the 165 kids we an L A Rod and Reel took fishing in July. The Kids had a great time and volunteering was a way of getting new fresh faces into the sport.

Fishing, belonging to a club and just life in general involves a certain amount of competition and sportsmanship. I wish all you well in your fishing but remember, sportsmanship is a big part of the equation. Spread the joy of fishing with as many people as possible while enjoying it yourself. I think we are fishing Bolsa Chica this month but have to check with Luke. If you are interested is bay fishing in Huntington Beach, please let me know so I can see if we can plan a date,

Well see you at a meeting or on the water.
Thank you

Your President

Meetings are held the second Wednesday of the month at Mimi's Restaurant in Monrovia. Mimi's has accommodated us with separate checks, an open menu, and they start taking orders as we arrive. (As early as 6PM sometimes.) We want to keep this in balance. Please continue to purchase dinner during our meetings. If you are unable to purchase dinner or prefer your wife's cooking, please consider dessert and a beverage at least. Remember that your check does not include the tip so you need to add on the tip. And please be generous in your tip. We are not the easiest group to work.

2017 Membership Drive

The 2017 Membership Drive is on!!!! Sam will have **pre-printed forms**. Just bring your check or cash and validate your personal information on the pre-printed forms. The data on the pre-printed forms comes from the club database. This is the best time to verify and update your information. (Please make every effort to use the pre-printed forms rather than fill out a blank form. I have had instances when people supplied "new" or "revised" information (or I couldn't read their writing), only to have to change the information back at a later date! Thanks for your consideration and cooperation.)

The dues for 2017 are the same as last year: \$45 for an individual and \$60 for a family membership.

Membership Card Reminder

All members are reminded that your club membership entitles you to a 10% discount on NON-SALE fishing tackle items at Turner's Outdoorsman stores. This discount is not available for guns or ammo. You are also reminded that after January 1 2017, your 2016 membership card is void. In order to receive the discount, a current 2017 membership card will be required. All store managers are aware of this and there are **NO EXCEPTIONS**.

NEW BYLAW CHANGE

At the July meeting, there was a vote on the proposal to change the membership part of the Bylaws. The proposal was that the Club provides free membership to Active Military. This was published in the July newsletter to notify all members of this proposal. It was also brought up at the June General Membership meeting. A vote was taken of all members present at the July meeting and the change passed unanimously.

The new Bylaw section reads:

Honorary Membership-- Any angler who is Active Military status. This does not include Veterans and Reserve status.

June Fishing Report

In case anyone is wondering where our members fish...

Don Merrill participated the the WON Shoot-out and went on the Club trip in June. I am sure he found time to get out on the Enterprise a few times too.

Dick Guiliani said he made 4 trips in June, 2 on the Fortune but commented that fishing was dismal, the calicos were marginal.

Ron Hall helped out on the Enterprise with a huge group of kids. He successfully put them on fish over and over again. Thanks Ron.

Luke Fitzpatrick did a 2 day on the Pacific Dawn, said they got 1 WSB, 1 halibut, and Lings. Said the fished the shallows of San Miguel.

Don Udlock took his daughter to Alaska July 1st at Kingfisher. Said they were allowed 1 King Salmon per day, 6 silvers. Silvers were 10-12# range. Said Halibuts had to be less than 44 inches and his daughter got a 37 inch keeper. Said they got 6 more that were 45 inches plus. Said they saw lots of albatross & puffins while there.

Sam Zanrosso went out on the Seajay & said he left alot of terminal tackle at the islands.

Will Ebersman has been working with the MDR Anglers with their kids program and 28 kids got out one Wednesday to fish on the Betty O.

Kevin L fished Bolsa Chica and said he had a great day, including a Ray, bass, smelt & halibut. He also fished Big Bear & got a 5.5 lb trout near the Dam on Gulp Bld Worms.

The Davis' did 2 trips on the Dawn in June. No WSB for them though.

I may have missed some of you but anyone not out there in June?

DINNER MEETINGS

We are still able to meet at Mimi's Restaurant in Monrovia. It becomes more and more difficult to find meeting space as time goes on. We have strived to make this relationship work.

In order to maintain a good working relationship with Mimi's each member needs to continue to purchase food at our Dinner meetings. Yes, these are dinner meetings. Mimi's has accommodated us with separate checks, an open menu, and they start taking orders as we arrive. (As early as 6PM sometimes.) We want to keep this in balance.

If you are unable to purchase dinner please consider dessert and a beverage at least if you eat dinner at home. Also, please remember that your check no longer includes the tip so you need to add on the tip. And please be generous in your tip. We are not the easiest group to work.

CLUB ROSTER

Club Rosters is available from Membership Chairman Sam Zanrosso if you need one. Just ask Sam Zanrosso for an updated 2017 Roster.
