COMMERCIAL FEATURES

Ultra-Slim Cabinet	Thin cabinet, reduced weight, set lays closer to the wall when mounted
Channel Labeling	Allows channels to have individual customized names
Initial Channel	Sets the input/channel for the TV to tune when turned on
Volume Limiter/Initial Volume	Sets the minimum, maximum and initial volume settings when the TV is turned on
USB Cloning Capable	Allows duplication of TV configuration for easy installation
USB File Play	Allows guests to play MP3 and view JPG files, as well as charge mobile devices
Auto Power-Off	Allows the TV to turn off after a selectable period of inactivity
Master & Guest Remotes	Separate remotes for configuration and operation
Front Panel/Menu Lockout	Disables front panel and menu controls to make television "tamper-proof"
Power On/Off Scheduler	Sets recurring time for the TV to power on and off
Energy-Saving Features	Auto power-off, less than 1 watt in standby mode, low power LED, no signal power-off
VESA Mount Pattern	Wall-mount your TV using standard mounts
IR Pass-Thru	Allows control of an external device without the need for direct line of sight
Bed 1/2/3 Capable	Allows simultaneous control of multiple TVs in the same room without remote interference
ATSC Tuning Mode	Select between physical or virtual channel numbers, giving your headend distribution system optimal flexibility
Antenna/Cable Merge	Ability to merge antenna and cable channels into a single channel line-up
Auto Detect Side A/V	Allows users to easily connect peripheral devices to side input without use of remote
Last Power Mode	Selectable power state of the TV after a power cycle
Control Port	RS-232C control port allows for integration with "infotainment" providers and video conferencing equipment

Accessories

User Remote (KM3802)	Not Included (Optional)
Master Remote (KM3801)	Not Included (Optional)
Direct TV DRE Kit	Not Included (Optional)
Security Lock Kit	Not Included (Optional)

Certifications

FCC, RoHS, Healthcare UL, CEC	Yes

Service/Limited Warranty

Limited Warranty	Two-Year replacement, provides for minimal downtime by offering advance replacement shipping instead of on-site repair

Note: Features and specifications are subject to change without notice.
