B.3 Progress in Meeting Goals

Goal – Increase revenues from outside (non-HUD) sources to improve Authority sustainability: Bristol Housing (BH) continues to supplement its revenues by providing inspection, accounting and IT services to other local PHAs. BH plans to further expand its service base by offering management services to private landlords and apartment complexes.

Goal – Apply for additional rental vouchers: Bristol Housing (BH) received 10 VASH vouchers to expand the supply of housing within its jurisdiction. Additional vouchers will be applied for as opportunities become available.

Goal – Reduce public housing vacancies: BH is currently working on reducing the turnover time for vacated public housing units to lower the vacancy rate of the units as well as improve the PHA's Management Indicator. Several new measures have been implemented to expedite both "make ready" and "lease up".

Goal – Leverage private or other public funds to create additional housing opportunities: BH is studying the feasibility to leverage private or other public funds to create additional housing opportunities for its residents.

Goal – Acquire or build units or developments: BH is studying the feasibility of acquiring or building additional housing units. By utilizing Low Income Housing Tax Credits and below market loans through the Federal Home Loan Bank's Affordable Housing Program, BH may expand the supply of affordable housing throughout the area without traditional HUD assistance.

Goal – Improve public housing management: BH is currently in the process of improving various operations, management and maintenance functions in an effort to improve their overall PHAS score.

Goal – Improve voucher management: BH continues to implement measures which improve administrative efficiency and reduces costs.

Goal – Increase customer satisfaction: BH is attempting to keep residents better informed of BH policies and programs as well as overall authority information through monthly meetings for the residents. Additionally, BH continues to support the Resident Councils at Fort Shelby and Edgemont Tower.

Goal – Concentrate on efforts to improve specific management functions: BH is currently in the process of improving vacant unit turnaround time and annual inspections of the dwelling units and system as recommended by HUD.

Goal – Renovate or modernize public housing units: BH has continually upgraded its public housing units through the Capital Fund Program. All modernization activities are addressed in accordance with need as well as resident requests in all developments.

Goal – Provide voucher mobility and counseling: BH is currently providing voucher mobility counseling by conducting briefings with new voucher holders and advising them of the benefits of living outside areas of poverty or minority concentration.

Goal – Conduct outreach efforts to potential voucher landlords: BH is currently conducting outreach efforts to potential voucher landlords, through their Section 8 Housing Choice Voucher Program. The outreach effort consists of contacting the potential landlords by telephone and/or mailings notifying them of the availability of voucher recipients. BH also conducts bi-annual briefings for landlords and potential landlords offering program information and training in subjects such as reasonable accommodation and fair housing.

Goal – Provide or attract supportive services to improve assistance recipients' employability: BH offers and provides a variety of services and programs to their residents to achieve self-sufficiency and improve assistance recipients' employability. These services and programs include referrals to local non-profit agencies providing supportive services. Participation in Bristol's new "hiring event", contacting residents and tenants regarding the event and serving as resource vendor.

Goal – Provide or attract supportive services to increase independence for the elderly or families with disabilities: BH currently has the UETHDA Nutrition Program which provides the elderly and disabled with a hot daily meal. BH works closely with DHS, Aid and Assist, Second Harvest Food Bank, Choices, Habitat for Humanity, ARCH and Eastern 8, and other human service agencies to provide the tools they need for independent living.

Goal – Undertake affirmative measures to ensure access to assisted housing regardless of race, color, religion, national origin, sex, familial status, and disability: BH continues to operate its public housing program and Section 8 Housing Choice Voucher Program to ensure equal access to all regardless of race, color, religion, national origin, sex, familial status and disability.

Goal – Undertake affirmative measures to provide a suitable living environment for families living in assisted housing, regardless of race, color, religion, national origin, sex, familial status, and disability: BH's operations and management, inspections, maintenance and modernization programs are spread equally among all developments.

Goal – Promote energy efficient practices and products when performing rehabilitation, repair and replacement in public housing developments: BH will incorporate, when applicable, Energy Star Program qualified products and practices when performing rehabilitation, repair and replacement in their public housing developments. We are using compact fluorescent lamps (CFLs), occupancy sensors for common areas such as restrooms, laundry rooms, meeting rooms and any appliances, HVAC equipment, copiers and printers are all energy star rated. BH is also purchasing and installing new energy efficient water heaters.

Deconcentration and Income Mixing

Bristol Housing's policy to provide for deconcentration of poverty will consist of the following:

- A. Targeting: The income levels of families on the waiting list will be analyzed so that not less than 40% of admissions in any fiscal year will be families whose income does not exceed 30% of median income for the area.
- B. Income Mixing: Prior to the beginning of each fiscal year BH will analyze the income levels of families residing in each development to bring higher income families into lower income developments and lower income families into higher income developments.

BH will strive to insure that no individual development has a concentration of higher or lower income families. BH may skip families on the waiting list to reach other families with a lower or higher income. This will be accomplished in a uniform and non-discriminatory manner.

BH will affirmatively market public housing to all eligible income groups. If necessary, BH will determine the level of additional marketing strategies and deconcentration incentives to implement the objective of this policy.
