At Capitol Executive Services Group, LLC, our team works to provide the highest quality of Private Investigative services to individuals, attorneys, insurance companies and financial institutions. Our Group specializes in the following subject matter areas:

- Covert Field Surveillance and Field Surveillance Operations
- Infidelity Investigations and civil and criminal investigation
- Missing person follow ups and background investigations
- General Investigations
- Witness/client interview
- Liaison with attorneys and assist with witness and trial preparation and provide testimony regarding police use of force
- Video evidence recovery and Technical Surveillance Countermeasure (TSCM)
- Witness client relocation and transportation
- Subpoena services and criminal research
- Controlled substance identification and prevention workshops
- Liaison with state and local law enforcement agencies

We take great pride in handling every case confidentially, diligently, and most importantly, effectively.

Covert Field Surveillance Operations

By providing covert surveillance and field operations, our group has earned a well-regarded reputation in delivering the evidence needed by our clients to promptly and effectively resolve conflicts. A preliminary investigation is routinely conducted prior to the commencement of a field operation. Our Investigations Team, knowledgeable in analyzing and utilizing public and proprietary data sources, gathers an array of facts regarding subjects and circumstances. Custom reports are tailored for future mediation, arbitration or trial and provide factual, unbiased evidence supplemental with video or still images.

Infidelity Investigations

Our Infidelity Investigation services support the needs of law firms, spouses and other investigative firms in need of our knowledge and expertise. Through a unique combination of private investigative practices, including the use of state-of-the-art technology, our Group enables commercial organizations and private firms to "get-ahead" of the infidelity stumble and receive satisfactory results and the highest of confidential customer service. Many of our clients use our services for:

- Child Custody
- Divorce
- Physical Investigations

Special Investigations

Complements of cross-functional training and specialized expertise, our Special Investigations Team conducts internal and external research of the circumstance or the operation and delivers supreme results utilizing years of leadership and law enforcement strategies. We specialize in the following subject matter areas:

- Information Gathering
- Internal Investigations
- Level 2 Accident Reconstructionist
- Undercover Operations

Our Private Investigations team brings industry-certified knowledge and expertise and custom security detail capabilities to our clients. With more than 50 years of law enforcement experience, Capitol Executive Services Group is a trusted leader in the delivery of quality private investigation services that use innovative technologies to meet and exceed the need of every customer.
