CAPABILITY STATEMENT

Phoenix Bus Inc has been founded in May, 2008 to serve the growing cities around Central Florida, and since then has grown exponentially, and always maintained a safe and reliable transportation service.

Phoenix offers services for all types of events and occasions including private, corporate, non-profit, school, religious, Super Bowl clients and NCAA clients – **we will provide your group with the finest options available for the most affordable & reliable transportation services.**

DIFFERENTIATORS

- All vehicles come with seat belts, outlets, usb, wifi, reclining seats, panoramic windows and many more commodities.
- Each quote we provide is **custom quoted** to provide you with the lowest possible rates for your specific transportation needs.
- We offer a **low price guarantee**.
- Our company is family owned and operated.
