NEW BUSINESS AND REMINDERS

Several motions were made and seconded during our last club meeting that will be open for discussion and then voted on at our next club meeting. The motions are as follows:

- No points be awarded for attending club meetings
- Meeting points to be dived in to two halves for the tournament season with each member required to attend four out of six meetings each half (every six months) to receive points
- Club standings for tournament season to be determined by cumulative weight and not by points

Nominations for board members for the 2022-23 tournament season were taken at our last club meeting. David Jarvis was nominated for club president and will be running against the current incumbent president Mike Oler. Kevin Vertesch was nominated for assistant tournament

director. It will be determined if Kevin will be running against current incumbent assistant tournament director Jon Black. If Jon does not wish to run for his current position, then Kevin will be running unopposed. Voting for these positions will be held at our next club meeting. No candidates were nominated for the other board positions and the other current board members will retain their positions for the 2022-23 tournament season.

Club T-Shirts and hats are available. If anyone is interested in purchasing a club shirt, please see Lori Snow. Both short and long sleeve shirts in various sizes and colors as well as various styles of hats and visors with the club logo printed on them are available

Any anglers competing in club events please be aware of club tournament rules and observe these rules during tournament fishing. Any anglers that do not abide by these rules are subject to penalty and / or disqualification
