Rita,

Please forward these written proposals to the full board at their TISD email, including me, with the following note from me (also, send email to personal/work accounts letting them know there is something in their TISD account regarding the search):

Fellow Board Members,

As discussed, attached are the written proposals received to date from the search firm "short list" to assist in the superintendent search. One is from the Moses/Thompson firm (School Executive Consultants) and the other from the Marshall/Dunlap firm (Arrow Educational Services). I have requested the same from Bob Griggs & Associates and will forward when received (Bob and I, due to my schedule as much as his, have not been able to have a conversation, but I have now resorted to email). I have also asked each of them to come to next Tuesday's meeting to give the board a short presentation (10 mins each) in respect of their proposals. Rita has placed this on the agenda. As of today, I have confirmation from the Moses/Thompson firm that both of them will be there.

Regards...JEM
