[EPA Challenged On Scientific Methodology, Need For Transparency In New FOIA](#)

[ARTICLES](#), [EMAIL](#), [KEVINMOONEY.NET](#) AUGUST 2, 2014 AT 3:26 PM [3 COMMENTS](#)

While the Environmental Protection Agency is suffocating the American economy with regulations built on top of unsubstantiated scientific claims, a savvy team of attorneys has seized upon an “obscure, but potentially” powerful federal law that could force the agency to disclose its concealed data. **The non-profit Institute for Trade, Standards** [...]
