## Section II

### General Policies

1. The following biosecurity requirements apply.
  - a. All horses entered in a HCWE show, or trailering into a HCWE facility, must be current on standard vaccines.
  - b. Any horse traveling more than 75 miles or coming from out of state is required to have a current negative Coggins test. The show management or facility owner may require a current negative Coggins for all horses at their discretion.
  - c. It is the owner's responsibility to have the required documents, if requested. The owner should not knowingly bring a sick horse to a show or HCWE sponsored event.
  - d. **Any horse that exhibits signs of a contagious condition will be asked to leave the grounds immediately, at the discretion of the show management or person appointed by HCWE.**
  - e. A valid health certificate (within 7 days) might be required by the State Veterinary Board, the show management, or the facility owner. In the case of an active outbreak, HCWE will follow the guidelines of the State Veterinary Board in inspecting or evaluating any potential risk prior to unloading the horse at HCWE or show facilities.
  - f. Additional biosecurity measures may be required by the show facility owner/manager.
  - g. The show management will communicate any required biosecurity requirement when the show window is opened for entry. The show management and the facility owners reserve the right to add additional biosecurity measures up until the day of the show.
2. Competitors are expected to know the United States Working Equitation (USAWE) rulebook and abide by the directives therein. The directives for the Dressage tests, Ease of Handling (EOH) tests, and Speed tests will be adhered to as written in the rulebook.
3. HCWE retains the right to minimally modify **schooling** show rules from rulebook as determined by the show management or Board of Directors (BOD) or, where applicable, by the event judge(S). The show management with the consent of HCWE's BOD will have the final decision of the modification of said rules.
4. For insurance reasons, ALL competitors must sign a HCWE release of liability form when participating in an HCWE sponsored show or

event. Some venues require an additional release form. Owners/trainers/riders MUST have the release form signed and an exhibitor number displayed prior to lunging, riding, or entering a ring, including the warm-up arena. The release will be kept on file from January 1<sup>st</sup> to December 31<sup>st</sup> of the current year.

5. For all shows that include the Cattle Trial, an additional fee will be charged for cattle use. This will be included in the entry fees and paid to the person or facility that provides the cattle. An additional waiver will be required specifically for the Cattle Trial, which will be retained by HCWE from January 1<sup>st</sup> to December 31<sup>st</sup> of the current year.
6. The judge's decision is final on the scoring of the Dressage test, the EOH test, or penalties assessed during the Speed test, violations of allowed tack and attire, and all other assessments that go into scoring and placing at a Working Equitation show. Do not approach or question the judge without first approaching the show management and receiving approval to do so. A copy of feedback and comments on the dressage and EOH tests will be available to exhibitors at the end of the division levels and no later than by the end of the show.
7. ASTM/Sei approved protective headwear is mandatory for any exhibitor under the age of eighteen (18) and is encouraged for adults as well. Protective headgear will be accepted in any class, regardless of the level or division.
8. Drugging, altering, or misrepresenting horses is not permitted. USEF rules apply.
9. The judge(s) or show management or representative appointed by HCWE may excuse any horse/rider they deem to be unsafe or not in control in the ring or on the grounds as may be applicable. The decision of the show management is final.
10. HCWE encourages good horsemanship of riders and good sportsmanship of riders and all spectators. Spectators are asked to be cautious and aware of their surroundings when near the horses. In the case of a breach of rules or a safety concern in any activity contrary to maintaining a safe, fair friendly and fun experience for all, the show management should be notified as soon as possible. The show management decision in these cases is final.

11. Warm-up and schooling are allowed in designated areas only. When not in the ring or warm-up area, please keep your horse at a walk. Exhibitor numbers must be displayed at all times when horses are being worked, lunged, or warmed up.
12. Humane treatment of horses is expected, and excessive reprimanding of an animal will not be tolerated. This includes inhumane training techniques, equipment, methods, or any other treatment deemed to be abusive. Show management should be notified of any such behavior immediately. Exhibitors who behave in this way will be removed from the premises and their membership of HCWE revoked, upon approval of the BOD. The judge or show management has the final say in these decisions during the show or clinic.
13. No outside dogs allowed on the premises of any HCWE clinic or show unless they are licensed serviced dogs. Service dogs must be leashed at all times.
14. Please respect directions or signage on the grounds for parking and pedestrian access, as well as any posted facility rules. The facilities HCWE uses are private property and should be treated with respect.
