Welcome to Worship @ Faith UMC

Live Stream Available

The live stream of our 11 am service is available via our [Faith Methodist YouTube channel](#) for those who wish to worship at home.

Offering

Today's offering will be collected during the service, or you may give using our online option at umcfaith.com. Contact the church office if you have any questions about our giving options or ways you can support the ministries of Faith UMC.

Nursery/Children's Church

School age children will be dismissed during the 11 am service for Children's Church. Infants, toddlers, and preschoolers may be dropped off at the Nursery before the 11 am service begins. All Children's Church classes will meet in their classrooms in the Education Wing (former daycare).

Bags to Bench Project Update

Dear friends,

Thank you to all that have been donating film plastic at the church for the bench project. We are currently working on bench #9 for the community. There are a few rules that we need to update. Please share this info with others you know that are donating.

We can no longer take any cat food or dog food bags. We can not take any packaging from produce such as lettuce, peas, or any frozen foods. We can not take any candy packaging or cheese or meat wrappers. If the plastic is not stretchy, we can not take it. We can not take anything with paper, moisture, or dirt on it. All these things must be sorted out and dumped in the trash.

What can we take? Single use plastic bags used to carry things from the store to your home. Bags that are clearly marked as recycling #2 or #4 in the recycling symbol are fine. We also can take shrink wrap, bubble wrap, case over wrap (with paper labels removed, and water softener salt bags.

Again, thanks for your support in this project. If you have any questions, please contact Marj Pond at (419)571-1535.

FREQUENTLY ASKED QUESTIONS

CAN I RECYCLE PLASTIC BAGS AND FILM IF THEY...

...are colored plastic?

YES, the color does not affect the recycling process.

...tear like paper?

NO, please do not include, as they are not currently accepted in film/bag recycling bins.

...stretch when I pull it apart with both hands?

YES, this is the correct type of plastic to recycle. If it doesn't stretch or it tears like paper, please throw it in the trash.

...are thicker, stiff plastics for linens and beddings (including anything with a real zipper)?

NO, they are not the kind of plastic recyclers can use in their processes.

...have a paper label or tape stuck on?

YES, but labels, tape and adhesive strips should be removed if possible. You can simply cut off of the label as the integrity of the bag isn't important to the recycler.

...are pet food bags?

NO, this plastic is not recyclable.

...are very shiny (like floral wrap) and make a loud crinkly sound when crumpled?

NO, this plastic film is not recyclable.

...are boat wrap?

NO, because its intended use is to protect boats outside, which means it could contain barriers or be contaminated with moisture and debris that are problematic in the recycling process.

...have a shiny metal look like a chip bag or candy wrappers?

NO, this plastic film is not recyclable.

...have this NexTrex® label?

YES, brands and retailers are using this label to let consumers know that the plastic film package is recyclable.

...are labeled degradable AND recyclable?

NO, recyclers can't risk using degradable plastics in new items so these items are not recyclable.

...contains other materials or is dirty or wet?

NO, plastic film must be clean and dry and the right type in order for it to be recycled. Please remove all other materials like tape, paper receipts, food residue and crumbs, and crinkly or rigid plastics (bottles and tubs). These contaminants can ruin the quality of the plastic and may result in it not being recycled.
