

# Easy Step Walkaround

ES51100 depicted

1 ½" handrail  
with smashed  
end mount

Continuous ring  
mounts to  
roof ribs

# Easy Step Walkaround

- Mounted on a continuous ring
- Mounts directly to the top of the roof rib which eliminates rib interference
- One entry section, designed to receive the Easy Step Roof Ladder Handrail or Easy Step Roof Stairs, comes standard. Multiple entries can be added
- 1 ½" tube handrail with smashed ends make for a secure and stable grip
- Flat deck allows for a level working surface on a 30° - 35° roof pitch
- Offered in 6 sizes ranging from 7' - 16' to allow for most bin peak ring configurations with removeable lids
