

Rules

Downtown Hazleton First Friday Scavenger Hunt & “Spirit” Walk Friday, October 4, 2019

Registration & Check-In:

- Teams can have up to two members.
- Check-in will take place at the Pines Eatery & Spirits located at 8 W. Broad St. beginning at 4:00 PM. ***Clues will not be distributed before check-in.
- Team members must stay together during the hunt.
- Team members will receive a tasting glass for drink samples offered by host locations.

Must Haves:

- For each clue, the team will be required to figure out both the location and an object at that location. For example, a clue may direct teams to a particular restaurant. Once there, another aspect of the clue will drive teams to find a particular object in that location.
- At some locations teams will be required to take a photo of the object described by the clue using a Polaroid, digital, or phone camera. **Teams must supply their own camera and cameras must have room to store up to 10 pictures.** All photos for each team must be taken on the same camera.

Recording and Photographing Answers:

- The team sheet will provide clues and space for teams to record their answers.
- Photos will need to be shown to the judges when the answer sheet is turned in.
- Teams must also record the name of the location/venue on their team sheet.

Point Values:

- Answers are worth variable points based upon the difficulty of the question and the distance from the registration location.

Submitting Clue Sheets

- Teams must submit their answer sheets and proof of photos to the judges by **8:30 PM, or earlier**, to qualify for prizes.
- Once an answer sheet is submitted, the team cannot add or change answers.
- After the teams have submitted their answer sheets, participants are invited to enjoy the after-party.
- The judges will calculate points based on the point value for each correctly answered question.
- The team with the most points is allowed to have the first choice among the prizes. The team with the second highest number of points will be allowed to choose from the remaining two prizes, etc.
- If teams tie for points (i.e. all answers are correct) then prizes will be based upon a raffle drawing, with the first team drawn having the first choice of prizes, the second drawn will have the second choice of remaining prizes, etc.
- The “Best Dressed” team will be judges’ choice.

****** Participants must be over 21 to consume alcoholic beverages. Non-alcoholic beverage options will be provided for those under 21.**
