TUCKER FOUNDATION SCHOLARSHIP APPLICATION

The W. A. Tucker Foundation offers a semi-annual College Scholarship which is awarded to a graduating high school senior or a college student to help offset the costs of college tuition, books, or materials. The purpose of this scholarship is to encourage the youths of our community to continue their education so that they may then contribute back to society in greater measure. Education in the areas of engineering, nursing, computer science, or teaching will have special consideration. Grade point average is considered but will not be a sole determining factor.

The scholarship award process consists of three parts: the application, letters of recommendation, and an interview. One or more Foundation officers, Board members or Grant Committee members will most likely conduct the interview in person at an educational institution. The Foundation may elect to have an educational institution perform the actual determination of acceptability and perform the student interviews.

Instructions:

1. Please fill out all the information below. This information will provide the basis used in the consideration of the scholarship award. If the requirements are met, then an application packet will be provided for the student to complete.
2. The scholarship award will typically be \$500, but will not exceed \$2000.
3. The purpose must be specific and clearly defined (e.g. to be used for tuition, books or course materials). The Scholarship will be restricted.
4. The decision will be based upon student needs, field or interest, grades, educational institution attended (or to be attended), and available Foundation funds for the year.
