

A person wearing a blue long-sleeved shirt is using a metal pry bar to bend a vertical metal wall stud. The stud is being bent significantly, curving away from its original straight position. The background is a wall with diagonal wood paneling. In the lower right background, there is a wire rack with a sign that says "Suck & Pucker #220000000 FREE TAKE ONE".

**Should you
be able to
do this?**

The compeition's wall studs!
